HOW LONG DOES IT TAKE TO SLENDERIZE AT STAUFFER?

By Maxynne Seidler, National Training Director

Many women get marvelous results from Stauffer System within sixty days. And it's possible to obtain desirable results in even less time. However, every woman's figure is different and the time involved depends on the number of inches you must lose. After all, what took years to put on can't be taken off overnight!

One wonderful thing about Stauffer is that the time it takes to slim down is largely up to you. It's the number of visits that counts and you may come in as often as you want.

On your free courtesy visit one of our highly-trained figure consultants will analyze your figure . . . tell you how long it will take to achieve the figure you want. Come in and see why Stauffer is the world's largest slenderizing chain.
