Jews Preparing Observance of High Holy Days

Jews throughout the world will observe their High Holy Days—Rosh Hashanah, the Jewish New Year, and Yom Kippur, the Day of Atonement—beginning at sunset, Wednesday, Sept. 5.

Temple Menorah, located at 1122 1/2 N. Catalina, Redondo Beach, has been fortunate in obtaining Dr. Rabbi Philip Rosenberg to officiate at their High Holy Day Services. He will be assisted by Cantor Naft Pickus. The first evening's services will begin at 7:30 p.m.

The Holy Days are a 10-day span devoted to religious self-examination. They reach their climax with Yom Kippur Saturday, Sept. 15, when most of the day is spent in the synagogue offering prayers which ask for divine forgiveness for faults and weaknesses. Many fast on Yom Kippur. The services are concluded with the blowing of a ram's horn—a note of triumph and spiritual liberty.

President Ben Kaufman announces that there will also be a special children's service on Saturday, Sept. 15, 2:30 p.m., which will be participated in by children from the Temple Menorah Religious School. All persons wishing to attend High Holy Day Services may obtain tickets by writing to Temple Menorah, Box 383, Redondo Beach.

WHAT'S DOING
R. S. Pyle, your Telephone Manager in Torrance

It's more than a job—it's a career
Did you know that one out of every five telephone men have been with Pacific Telephone over 20 years? One out of four telephone women have been with us over ten years. Many have been with us much longer. For a telephone job is much more than just a job. It's a career. And as telephone men and women gain valuable experience, they move up to jobs with more responsibility. This gives all of us at Pacific Telephone a sense of accomplishment. And it means that your telephone service is always in the hands of well trained, experienced people. It means better service to you. The men and women of Pacific Telephone work to make your telephone more useful every day.

They'll be as close as your telephone

Well, they'll soon be packed up and off to school. And then the slam-bang activity that's been going on all summer will slow down. Sure, it'll be peaceful. But it's a good bet, too, that you'll be happy to hear their voices often. So why not plan now to make regular telephone visits with your boy or girl away at school this coming semester? You can tell them to call home collect, too. You'll be surprised to find how low long distance rates really are, especially after 6 o'clock on weekdays and all day Sundays.

"Would You Like A Telephone Company Program?"
Are you looking for something just a little different—just a bit unusual—yet entertaining and interesting—to solve your group's program planning?
We think we have just what you want in our list of free telephone programs available on request for service clubs, fraternal organizations, civic groups, schools, and other organizations. These programs are diversified, covering such subjects as the Transistor, 30 Minutes for Survival, a demonstration of our air raid warning system, Nike, Good Telephone Usage, and others. They include sound films, talks and demonstrations, and conducted tours of telephone buildings.
You and your group are invited to make use of this service. Just call your business office and arrangements will be made for a program tailored to your needs. We'll be glad to hear from you.
—Pacific Telephone.
