Groups Hold Meeting at Auditorium

Harry Van Bellehem, Torrance Director of Recreation, announced that his department will hold a special meeting for all groups desiring to use the Torrance Civic Auditorium for Christmas programs this year. The meeting will be held in the refreshment room of the Civic Auditorium at 4:30 p.m., Thursday, Oct. 4.

The early meeting is being called because a number of new applications have been received by the Recreation Dept. from groups which have not held program in the auditorium before, and to enable groups to plan programs farther in advance.

Due to the large number of applications anticipated, Van Bellehem recommends that all groups send a representative to this meeting. The representatives should have some idea of the day and time for the group reservation, the type of program desired, the number of people expected to attend, and any special services which may be desired of the department.
