### Lomita's Jim Dandy Names New Manager

Syd Schmahl has become manager of the Lomita Jim Dandy Market, succeeding M. L. "Shorty" Modeland, who will become a store supervisor for the area, according to store officials.

Schmahl, former assistant store manager in Hermosa and Redondo, has been with Jim Dandy for the past seven years. He has taken over his duties at the Lomita Blvd. and Western Ave. store, which opened last July.

Modeland has taken over duties as store supervisor in charge of grocery and liquor merchandising for this area. A former manager of the Torrance store, and four other Jim Dandy markets, he has been in charge of the Lomita store since it opened. A veteran of 23 years in the market business, he started work in 1948 for Jim Dandy at its Bell store.

Last year, he was one of 500 chain market managers to win the Good Citizen Award in competition sponsored by the National Association of Food Chains.
