

**PAIR JOIN TLM** . . . Lee Norman (right) has been named general manager of Torrance Lincoln-Mercury while George Carillo has been named sales manager in new assignments announced by Dick Walbergh, head of the agency at 1885 Torrance Blvd.

**Three Named to Posts at Torrance Lincoln-Mercury**

Three new management appointments at Torrance Lincoln-Mercury, 1885 Torrance Blvd., were announced yesterday by Dick Walbergh, president of the firm.

Taking over as sales manager will be George Carillo, while Lee Norman will become general manager. Luis Narvaez is the new service manager.

In the auto business since 1949, Norman said the firm will go into a volume selling program. He always has handled Ford Motor Co. products. He announced plans to develop a sales and service organization "second to none."

A Navy veteran, he and his wife, Bonnie Lou, have a five-year-old daughter, Sharon Louise.

Carillo, a former Torrance resident, has been with the Ford Motor Co. for 2 1/2 years. An alumnus of Mt. Carmel High School and vice president of the alumni association, he served in the Marine Corps from 1946 to 1948.

He and his wife, Janice have three children, Constance, 7, Martin, 4, and Donald, 3.

A veteran of 14 years with Ford, Narvaez will head the service department. He is a member of the Los Angeles and Long Beach Boat and Ski Clubs. He and his wife, Barbara, have a daughter, Nancy, 10, and will move here soon.

**CHROMITE USE**

Steel used in high-speed engineering and stainless types require chromite.

**ALL IN THE EAR**

What you see in this girl's ear is Sonotone's new hearing aid - complete. IT'S WORN ENTIRELY IN THE EAR - no cord, no extra "button." This smallest Sonotone ever weighs only half an ounce, including smallest battery used in hearing aid.

Women, of course, cover everything with their hairdos. On men, this amazing hearing aid is barely noticeable from any angle.

You just have to see this new transistor masterpiece to believe it. Triumph of 25-year search by Sonotone engineers for hearing aid worn entirely in ear.
