

TOP CARRIER BOY . . . Robert Greene, 5502 Calle de Ricardo, looks over the clock radio he won in the southern section subscription contest sponsored by the Torrance HERALD. Robert obtained 47 new subscribers.

## HERALD CARRIER BOY ROBERT GREENE WINS

Carrier boy Robert Greene is the winner of the Southern section subscription contest, sponsored by the Torrance HERALD.

The 11-year-old son of Mr. and Mrs. Sidney Greene, 5502 Calle de Ricardo, obtained 47 new subscriptions to the HERALD.

For his efforts he was awarded a clock radio, in addition to a cash prize.

The money the youngster earns from delivering his 179 newspapers goes into a savings account. He says he will

use the money to pay for his college career.

A sixth grade student, his route covers a part of the Hollywood Riviera district.

Robert's younger brother, Donald, substitutes occasionally as delivery boy. For instance, he's porching the papers this week while his brother attends summer camp.

## Will Go for New Hospital

Under the sponsorship of the NCO Club and with profits to be donated to the San Pedro Community Hospital Building Fund, military and civilian personnel at Fort MacArthur will present Peter Ustinov's "The Love of Four Colonels" at the post gymnasium at 8 p.m., Aug. 21 to 25.

Pvt. Marshall Sisco, producer for the three-act play, announced that the group has set a goal of \$1000 for the benefit of the hospital fund. "The Love of Four Colonels," being directed by Pvt. Daniel Tierman, involves the adventure-filled pursuit of maiden

loveliness, personified by a mythical sleeping beauty, by a French, English, American and Russian colonel, stationed in Allied occupied Germany.

Each colonel attempts to win the beauty's love in the manner of his particular country's theatre, such as Moliere, Chekov, Shakespeare, and Hollywood. These love scenes are seen as plays-within-the-play sequences.

The play is considered to be among the more difficult for little theatre staging and is seldom attempted by amateur groups.

## LOOK! ICE CUBES WITHOUT TRAYS

An exclusive feature of the SERVEL GAS Refrigerator!

The only refrigerator that makes ice cubes automatically is the Servel Gas Ice-Maker Refrigerator. You can reach in any time and take a handful or dozens of ice cubes. The Ice-Maker replaces them automatically. You have no trays to fill or spill (... none to empty or forget to re-fill!)

Servel's second exclusive feature is silent Gas operation. A tiny Gas flame makes ice and cold... takes the place of a motor and moving parts.

Servel's third exclusive feature is a ten-year warranty... twice the warranty offered by any other refrigerator. Why take less? See a demonstration today at your Servel Gas Refrigerator dealer or Gas Company.
