

God as Mind Named Topic This Sunday

God revealed as all-knowing "Mind" is stressed as the theme of the Lesson Sermon in all Christian Science churches today. The Golden Text from Romans (11:33) declares, "O the depth of the riches both of the wisdom and knowledge of God! How unsearchable are his judgments, and his ways past finding out!"

David sings in a passage from Psalms (145:1, 9, 13), "I will extol Thee, my God, O King; and I will bless Thy name for ever and ever... The Lord is good to all; and His tender mercies are over all His works... Thy kingdom is an everlasting kingdom, and Thy dominion endureth throughout all generations."

"The divine understanding reigns, is all, and there is no other consciousness." This illuminating statement is from "Science and Health with Key to the Scriptures" by Mary Baker Eddy. Again she says, "When we fully understand our relation to the Divine, we can have no other Mind but His,—no other Love, wisdom, or Truth, or other sense of Life, and no consciousness of the existence of matter or error" (pp. 536, 205).

Mrs. Quiros Named Head of Osteopathic Hospital Drive

Selection of Mrs. G. F. (Alice) Quiros, 711 So. Catalina Ave., Redondo Beach, as volunteer campaign headquarters chairman for the Harbor Osteopathic Hospital, Inc., was announced yesterday by Glenn A. Wymore, president of the hospital group.

Mrs. Quiros, well known in club and civic circles in the South Bay area, has been active in fund drive work for many years.

She was identified with successful drives at the University of Southern California in which monies for the Dental Clinic building and other structures was raised under the auspices of the Department of Development of the University.

\$300,000 Needed

Mrs. Quiros will head a drive to raise approximately \$300,000 during the coming three and one-half months. The money to be raised in the South Bay and Harbor areas will provide one-third of the cost of a new \$900,000 Bay Harbor Osteopathic Hospital.

Two-thirds of the cost of the new building will be paid from state and federal taxes. The Harbor Osteopathic Hospital, Inc., was recently allocated \$594,882 from the Hill-Burton Fund, which is distributed by a special hospital committee of the State Department of Public Health under the direction of Gordon Cummings. Acquisition of the fund is dependent upon the area raising one-third of the cost of the new hospital.

Free Clinic

A free clinic and other services will be offered by the proposed new hospital in accordance with requirements of the State Department of Public Health, President Wymore announced.

Establishment of a Fund Drive headquarters in the Lomita area is planned this week.

HOSPITAL DRIVE PLANNED... Mapping plans for the forthcoming drive for funds for the Harbor Osteopathic Hospital, Inc., are Dr. Robert M. Patterson, Lomita, and Mrs. G. F. Quiros, volunteer fund campaign headquarters director. Some \$300,000 will be sought in the drive.

Missionary Persecution Reported

Ten American missionaries were deported to Puerto Rico from the Dominican Republic Aug. 3, according to G. F. Dunham, presiding minister of the Torrance congregation of Jehovah's Witnesses, announced yesterday. Fare was paid by the Dominican government and the missionaries were escorted under arrest to the plane.

Action came on the heels of "a wave of persecution equalled only in Communist countries" climaxed by a total ban proscribing the work of Bible education conducted by the Witnesses in the Dominican Republic since 1945, Dunham said.

Ultimatum Given

An ultimatum to the Christian missionaries to renounce all association with the organization and cease communication with their Brooklyn, N.Y., office or leave the country was made last month by Major General Arturo Espallart, minister of security, whom the U. S. government has sought to question in the disappearance of Dr. Jesus de Galindez. Some of the missionaries have been in the country for 11 years.

According to official news sources of the Dominican Republic, proscription of the Christian activity of Jehovah's Witnesses was legalized on President Hector Trujillo on July 25 and the law carries penalties of from one to three months imprisonment with fines of from \$30 to \$100. It was announced that over \$1 million had been appropriated by the Dominican government to enforce the ban.

Activities Restricted

Dunham said a full-scale campaign to restrict the religious freedom of the Witnesses has been underway since July 1. Kingdom Hall meeting places had been ordered closed and about 250 of Jehovah's Witnesses were brought in for questioning.

The Witnesses have been subjected to beatings and violence by police and prison guards in an effort to make them renounce all association with the movement. Mr. Dunham stated. About 50 are now in prison, some with sentences of two years.

Taylor's Visit Orphanage in Europe Tour

Rev. and Mrs. John L. Taylor, 1542 El Prado, visited Casa Materna orphanage, largest Protestant home for children in Italy, on their current European tour.

The Taylors will be returning here again the middle part of September after having visited Greece, Egypt, and the Holy Land. Their original plan called for only one-stop-over in Naples, but these had to be altered when they were denied a visa to enter Yugoslavia.

Rev. Taylor, pastor of the First Methodist Church, Torrance, had first learned of the work of Casa Materna through the board of missions of the Southern California-Arizona Conference of the Methodist Church.

Founded by an Italian Methodist minister in 1905, Casa Materna today is the only direct link which American Methodism has in Italy. The home, celebrating the beginning of its 53rd year, has 560 children in its care. It has graduated more than 8500 from its orphanage school.
