'Substance' Named Topic This Sunday

The Sunday Lesson-Sermon subject in all Christian Science churches is "Substance." The Golden Text is from Hosea (12:6), "Turn thou to thy God: keep mercy and judgment, and wait on thy God continually."

Through the ages spiritually minded men have discerned the substance, power, and majesty of God. David declares in a Bible passage, "Thine, O Lord, is the greatness, and the power, and the glory, and the victory, and the majesty: for all that is in the heaven and in the earth is Thine; Thine is the kingdom, O Lord, and Thou art exalted as head above all."
