

Youth Band Fund Grows, Citizens' Group Reports

Mrs. Clara Conner, chairman of the citizens' committee organized to raise funds to send the Torrance Area Youth Band to Chicago in December to perform for the Midwest National Band Clinic, announced this week that a total of \$960 had been collected during the first week of operations. The citizens' committee hopes to raise at least half of the \$25,000 needed to send the 32 musicians plus chaperones and staff members. The students and band parents feel that they can raise the other half. The group plan to go by plane, leaving Dec. 15 and returning Dec. 22.

The sum of \$250 is needed to sponsor one band student.

Fifty such "sponsors" are being sought by the citizens' group from clubs and organizations, industries, and private individuals.

Alter Realty and Insurance was the first to volunteer to sponsor one student. The Family Land Co. was the second to give a check for \$250. Other industries and organizations who had previously given financial assistance include the Torrance Woman's Club, Torrance Junior Woman's Club, Welteria Business Woman's Club, The Sandpipers, Pilot Club, Torrance Arts and Crafts Club, Marty Lehr's Junior Dog Training Class, Richards Cleaners, Universal Enterprises, and Pacific Smerling Co.
