The group of youngsters between the ages of 5 and 11 years, are under the direction of Mrs. Kenneth Moe, 22529 Warmside Ave., Junior Gardening Chairman of the senior club.

Currently, the young gardeners are concentrating on horticulture, or the actual growing of plants and flowers, according to Mrs. Moe. Later they will study conservation, garden therapy and other nature studies.

Every second and fourth Wednesday afternoon at 4 the club members gather at the Moe home. Mrs. Moe is a charter member of the senior club which is now more than three years old.

At the last meeting on Oct.

The children meet every second and fourth Saturday from 1 until 3 at the Hubacek home. One meeting a month is called the practice session and the children work either in their own yards or those of neighbors. They are taught pruning and planting and the techniques of spraying.

The second meeting of the month are classes conducted from the elementary Garden Club book.

Tom Paterson is acting president of the club in the absence of Eddie Sellmeyer who is working. Leslie Sautter is the secretary, Jo Kay Louvier, publicity chairman, and Susan Fitzgerald sunshine chairman.
