

UNDEFEATED MOUNTIES WIN TITLE

Undisputed flag football title of Normandale Park went to the Mounties who defeated the Stars, 28-6, Thanksgiving Day.

Glenn Meyers opened the scoring when he passed to Randy Gilbert for the initial Mountie t.d.

Ronnie Stugart teamed up with Richard Bertoni on a touchdown pass play in the second quarter to tie up the game. This proved to be the only score for the losers.

The Mounties boomed back into the lead when Meyers again scored, this time on a 35-yard run through a broken field.

The losers were not without shining moments as they held the Mounties with a strong defense headed by Don Hill, Ronnie Gowin, Delton Kerns and Jay Lehman. Two t.d.'s were fumbled back because of penalties on the Stars.

Chuck Swearingen led his Tiger teammates to a 38-12 victory over the Seals in the final game of the season Saturday morning. Outstanding players for the Tigers included Phil Smith, Wally Warren, as well as young Swearingen, who ran and passed like a veteran player. Roger Guterlez and Billy Hoy showed strong competition for the losers.

Casabamen Set For Action at Long Beach SC

Long Beach State College opens its 1957-58 basketball season today as the 49ers play University of Redlands in the final game of the first day's action in the 11th Redlands tournament.

Earlier games pit Pasadena, last year's winner again favored to come out on top, against Pomona Claremont; Cal Poly (SLO) against Westmont, and Santa Barbara against

Chapman. Each team will play three games in the three-day meet.

Coach Bill Patterson, in his first outing as LBSC cage boss, will start Bill Baron, 6'3", and Ron Winterburn, 6'2", at forwards; Jed Young, 6'4", at center, and Hollis Harvey, 6'1", and Tom Sutherland, 5'8", at the guard spots.

Baron, who racked up 590 points for a 22.7 average last year, and Harvey, a two-year letterman who averaged 12 points a contest from a forward spot in '56-'57, are the only two holdovers from an ill-fated squad which won only one game in '56-'57.

Although observers tab the current State team as the best in the school's history, Patterson is non-committal on his team's chances at Redlands and merely said that after seven

weeks of practice sessions his team now was at the stage where they have a chance to prove themselves under fire.

Earlier, the LBSC coach who will use the UCLA fast breaking offense with a team which will "run, run, run," had said that "offensively we are where we should be, but the defense is much to be desired."

With all Redlands entrants except Pomona - Claremont showing up on the regular LBSC season schedule, the week-end action should provide the State coaching staff with a preview of things to come.

State entertains La Verne Tuesday, Dec. 10, as both varsity and JV lives open their regular schedule.

Why wait on the weather

when electricity dries

fresh-air sweet indoors?

Only Electric Dryers can do it. In an electric dryer, radiant coils warm the air inside. There's no flame, none of the by-products of combustion. It's cleaner and purer than any other way of drying. 32% fluffier than back-yard drying—and electric drying doesn't fade colors.

Electric dryers not only cost less to buy, but less to maintain. Before you wait on the weather again, see the new electric dryers at your appliance dealer.
