WE GIVE S & H GREEN STAMPS

The Food Industry is being faced with a very critical situation. It seems that some of the "Big Chain Operators" find it difficult to reach a pay schedule agreement with the Retail Clerks Union. It's quite strange to us that because of this disagreement, thousands of food clerks employees are being laid off or "locked out" of their jobs due to this strike! The old saying "Live and Let Live" is what we believe in.

Western Farms Market is NOT on strike and will remain open. It will be our pleasure to serve the public and our customers to the best of our ability.

Our policy of every-day low shelf prices will continue . . . For example, here are a few dollar saving items you just can't afford to miss! All this plus S & H Green Stamps, a double saving within itself!
