Overflow Crowd Witnesses Saxon-Centaur Basketball Game Friday

By JERRY REYNOLDS

With an overflow crowd of 1300 fans on hand in the North High gym Friday, Jim Machado led the Culver City Centaurs to a 55-50 victory over the local Saxon quint. The crowd, largest ever to see a NHS basketball game, came in answer to North Torrance Night which the Boys Physical Education Department sponsored.

Machado tallied 20 points on eight field goals and four free tosses to lead the Culver scoring. The Saxons Gary Little also hit for 20, getting them on nine two-pointers and a pair of charity throws. Tony Mance, fouled nine times in the first half, scored 19 for the Saxon effort, seven of them on free throws.

Culver took an early 6-0 lead and by the end of the first quarter held a 12-2 cushion. The Saxons came back after that, outscoring the Centaurs in every period, but they couldn't overcome the five points which Culver won by.

The Jay Vee prelin went to North as Ricky Jacobs scored 15 points to lead the game scoring and North High point honors. And at Culver City the Saxon Bees and Cees split a pair of games with the Centaurs. Coach Keith Enger's Cees claimed the win, 33-29 to

Thomsen Picked On South Squad For Shrine Game

A fast and versatile football team will take the field when the South meets the North in the eighth annual Shrine high school game set for August 7 in the Los Angeles Coliseum.

Ernie Thomsen, 190-pound North High fullback, was selected as one of the backfield players to represent the South and it is predicted that he will be relied on to spark the aerial and running attack.

As captain of the Saxons, Thomsen led the North gridders into the CIF playoffs, where they were defeated by Dee Andrews and the Long Beach Poly eleven.

With the pick of Southland prep football players the South squad is figured to stage a wide-open game offensively behind a big 197-lb. forward wall.

Wins Scored in Third Round of Open Basketball

Kenny's Shoe Repair, General Telephone Co. and Wright Answerphone basketball teams each grabbed third round wins, in the Torrance Recreation Department's Open League games played Monday night in Narbonne High School's boys gym.

Kenny's win over Jay R. Ware Plumbing Co. was sparked by Bill Steven's 14 point effort and placed the shoeman alone at the top of the standings. Manager Jack Oberle and forward Don Heard paced the loser's scoring attack with 11 digits apiece.

General Telephone's 50-39 win over the General Petroleum five gave them their first win and dumped the others out of first place in the league standings. Danny Espinosa hit for 11 points for the winners, while Bob Corlett potted 16 for the losing cause. Wright Answerphone showed real power in subduing the hustling Corso's Candle Room quintet, 45-32.

New additions Toby Erlinger, with 12 points and Dean Sempert's nine, were the scoring stars for the winners. Dick Gazely took high game honors with his 14 point total. Open league play resumes in the Narbonne High gym next Monday at 7 p.m.
