## Girls Friendly Society Observes National Week

The two year old group of the Girls' Friendly Society of the St. Andrew's Episcopal Church is celebrating National GFS Week from Jan. 25 until Feb. 1. The week will be climaxed with a spaghetti dinner in the parish hall Saturday evening from 5 until 8 p.m. The public is invited to attend. Tickets may be secured by calling Mrs. Howard Cartwright or Mrs. Ted Whisnand.

Girls' Friendly Society, organized in 1877, is the oldest girls organization in the country. At St. Andrew's, the group has a symbol program and attractive uniforms in blue and white. Symbols are earned by each girl, and after a certain number, the girl is entitled to a degree. Degree stripes are presented by the Bishop of the Los Angeles Diocese in an impressive Cathedral service held annually.

The local group now has a membership of 48 girls and 11 leaders. The girls range in age from 6 to 14 and are under the direction of Mrs. Barbara Cartwright, advisor, and the following leaders, Pat Stillwell, Connie Sieman, Hilda Barnhart, Mildred Wilson, June Steenback, Danna Davis, Pat Billings, Iola Schadt, Dorothy Lange and Fay Whisnand.

Although this is an Episcopal Church organization any girl in the community is invited to join.

Most of the lambs grow larger than usual . . . still tender, juicy and flavorful. Be sure to watch for the economy cuts.

Larger-than-normal supplies of pork will make food page headlines. Thrifty shoppers watch for features at retail. A high percentage of the pork will be the less-fat-more-lean combination the homemaker prefers.

These are the months when traditionally we have smaller supplies of beef and veal.

Producers are shipping plenty of CHICKENS and TURKEYS. They are among the most economical protein buys.

POTATOES are the number one value. Buy a good supply of these bargain beauties. You will be happy you have them . . . particularly after you get out your calorie charts and compare with some of our other favorite foods. Good nutrition at low cost . . . and not heavy on calories.

This is roast weather . . . LAMB, PORK or TURKEY. Cut down on extra cooking dishes and fuel to. Have a potato casserole that goes into the oven right along with the meat and right onto the table.

In the midst of winter we have a list of choice produce available:

- APPLES (California)
- Delicious; Newtown Pippins.
- AVOCADOS
- GRAPEFRUIT
- A "Vintage" year for California ORANGES and GRAPEFRUIT.

Coachella Valley about ready to ship more large size grapefruit as peak of production nears. An average large size crop of beautiful NAVELE ORANGES coming from northern California orchards with a large crop about ready for harvest in the south.

- CABBAGE
- CAULIFLOWER
- CELERY
- LETTUCE
- ROMAINE
- TOMATOES . . . not exactly their season, but lots of them. Wide range of quality.
