MRS. LONG DISCUSSES 'CHILD EVANGELISM'
Mrs. Ethel Long, Home Missionary Church evangelist, discussed "Child Evangelism" at a meeting of the Missionary Society of the El Nido First Baptist Church, Wednesday, Jan. 21.

Following her talk, a pot luck luncheon was served. Ladies of the church will attend a "Winter Wonderland Banquet" at the First Baptist Church in Long Beach tomorrow, according to Mrs. Roland Klein, president.

New \$600,000 Bowling Center Is Dedicated

Official dedication ceremonies for the new Palos Verdes Bowl were held Thursday on a 15-acre industrial-commercial tract being developed by Jackbilt, Inc. at 24600 Crenshaw Blvd.

Attending the dedication for the \$600,000 bowling center were local civic and business leaders including Al Isen, mayor of Torrance; George Stevens, city manager; Fred Mill, president of the Torrance Chamber of Commerce; George Powell, director of city planning; and R. W. Bishop, city engineer.

Dedication ceremonies preceded the grand opening celebration for the public held last night. Highlight of the grand opening was the appearance of Buddy Bismar, nationally known bowling star, who exhibited his skills.

Located adjacent to the Torrance Airport, the new recreation center is composed of a 24-lane bowling alley, modern restaurant, cocktail lounge, and nursery for children, it was announced by John D. Howard, president of the developing company.

Designed by Johnson, Engen, and D'Agostino in a contemporary California motif, the 24,000 square foot bowling center was constructed by Jackbilt, Inc. of reinforced brick masonry with parapet walls of steel studs and exterior stucco. One of the outstanding architectural features is a huge wall of Palos Verdes stone.

DANCE SCHEDULED
Members of the North Torrance Improvement Assn. will defy superstitions and hold an informal dance at the Higgins Brick Patio on Friday evening, Feb. 13.

HEADS SCOUTS . . . Harold W. Sanders of Pasadena, a vice president of Union Oil Co., was installed president of the Los Angeles Area Council, Boy Scouts of America, in special ceremonies held in Los Angeles Thursday evening. He succeeds W. Herbert Allen.

Packard-Bell Sets Up Service Department Here

A new branch of the Packard-Bell Service Div. was recently established in Torrance to provide residents with direct factory television and radio repair and parts service, according to Carl Duffy, vice president, Service Div. James Killrakis, Riviera, was named manager.

Located at 911 Border Avenue, it is the 11th Service Div. branch to be established in the greater Los Angeles area, the 32nd branch operating in the 11 western states.

DIVIDEND DECLARED
A regular quarterly dividend of forty-five cents per share was declared Tuesday on Bank of America National Trust and Savings Association capital stock by the bank's board of directors meeting in San Francisco.

The dividend, payable February 27 to shareholders of record February 6, is at the annual rate of \$1.80 per share.

The Eleventh Frame

Toshi's Foods, considered as the team to beat in Bowl-O-Drome's Friday night 900 scratch, had their six game lead cut in half as Tarp-On Mfg. clobbered the league leaders for the full count while the second place Keystone squad dumped Packers Ltd. Dick Stamper sparked the Keystone keglers to their three-game win, scattering ten-pins for a sizzling 244 first effort, coming back with a shattering 235, followed by his 185 game to chalk up the night's series high, a mighty powerful 664.

Tarp-On's Carl Yeaman, prominent in the important shut-out of Toshi's Foods, connecting for a whopping 634 set highlighted by his big 244 single. League is not in such a run-away state now, due to Friday night's upsets. Toshi's leads, three games over Keystone, followed two down by Doug's Whiz Kids. Tarp-On rests in fourth, only half a game out of third, trailed two games by Mitch's Signal Oil.

Billy Maglione, of the league leading quintet, holding down the season's series high with his eye-popping 707 set while Whiz Kid Bob Duprie tops the individual efforts with his potent 266 pitch. Friday night's bout recorded a new team high as the King Louie Shirt squad connected during the second game for a powerful 1046 tally, generated by Ray Reese and his sizzling 252, as they held Team No. 8 to a three-game loss.

The Pin Wheels hold a one-game edge over R.A.R. in the Douglas Swing, taking to the lanes at 1:15 a.m. Wednesdays. Honky Tonks in for third, only two out of first, followed one

down by the Picket Pickers quintet rounding out the 15th week of their winter season. J. Campbell heading the men's series honor roll with his 579-87-666 with S. Nicks taking the female lead with her 487-120-607 set.

WIN SING
The Young People of the B.Y.E. Groups of El Nido Baptist Church were awarded the "banner and helm" for receiving the highest percentage of attendance at the recent Harbor Association Sing held at the Redondo Beach Baptist Church.

Silver Beaver Awards
Nineteen men who have contributed their time and talents to boys through Scouting will be honored Thursday at the 44th annual meeting of the Los Angeles Area Council, Boy Scouts of America to be held at 6:30 p.m. in the Biltmore Bowl.

A reception honoring Silver Beaver Award recipients and their wives will be held before dinner. During the program, 100 Eagle Scouts will take part in special ceremonies honoring the Silver Beavers' 247 combined years of service to Scouting.

Due Here Monday

Robert Carlsson, assistant city manager of Claremont, will report for duty here Monday as the new senior administrative assistant for the city.

Predictions on Living Costs in New Year '59

Here is the way the cost of living seems to shape up in food, clothing and shelter for 1959 based on presentation of the 36th annual Outlook conference held in Washington, D.C., in November 1958.

FOOD. Retail prices should average a little lower than in 1958. Large supplies of poultry and pork. An estimated one billion more pounds of pork expected. Supplies already on rise. Prices will fall sharply. Beef will come through with large supplies of the better grades . . . prices will remain high.

Normal weather conditions will bring an abundance of fresh citrus and vegetables. Dairy products will be plentiful with consumers continuing to show increased preference for nonfat milks . . . both fresh and dry.

CLOTHING. Prices will stay about the same as last year with the exception of men's shoes . . . they are expected to be higher.

HOUSING. 1959 should be the best year in housing since 1955. The estimate is for 1,200,000 starts . . . 830,000 more than last year.

SALES PROCEEDS
The North Torrance Civic Improvement Assn. netted about \$175 on the Christmas tree sales during December. Myrna Nish, ways and means chairman of the group, reported this week.

Mortgage money is available now but rates are going up. Mortgages with small down payments are becoming more difficult to arrange. Total housing costs have gone up. Residential property taxes show an average increase of 25% since 1952.

Cost of maintenance and repairs have gone up 15% to 25% during the same period. Insurance has also increased. These costs are reflected in the rising cost of rents.

MANAGING THE FAMILY'S MONEY
Plan to make better use of the family income . . . reduce stress over money matters.

1. Plan to meet seasonal variations in expenses. Review your family's spending habits. You'll note variations by months. By comparing these variations with the way your income comes in shows the need for a plan so expenses can be met as they fall due.

2. Plan for replacement of household equipment. Reports show how long families keep certain pieces of household equipment. You family could derive financial benefit by building a replacement fund to have money ready when items are needed:

Item	Av. Yrs. Used
Washing Machine	9
Refrigerator, range, tank type vacuum cleaner	15
Upright vacuum cleaner	18

IN 1939

TODAY

Do you want to buy even less for a buck?

In the top picture, you see the groceries any housewife could buy with a dollar in 1939. And on the bottom . . . that's what a buck will purchase for her today.

Some difference, eh? Have you noticed it in your shopping? How much a dollar has shrunk in 20 years?

So what's the disease that's eating on our favorite pocket-piece?

You're right the first time. **Inflation.** Inflation is caused by a lot of things. But one of the most important is rising labor costs without a corresponding increase in the nation's productive efficiency. The reason: 75 percent or more of the cost of what you buy is for labor.

It's kind of a chain reaction. With each round of wage and price increases, our dollar loses another chunk of purchasing power.

If things keep on this way another twenty years—or ten—or five, what will you get for your buck? What will happen to your savings, your insurance, your pension plans . . . your children's education? Inflation robs you of your future security. Isn't it time to stop this dangerous spiral?

The American Iron and Steel Institute brings you this message because

Inflation robs us all
