NORTH HIGH LIGHTS

By SHARON ANDREWS

The Sweethearts Ball topped off the week end for many Saxon couples. The annual event took place in the North High Cafeteria, Friday night, Feb. 13. It was sponsored by the North High Band. The Royal Notes, North's dance band, supplied the music for the evening. With decorations of red hearts, balloons and red and white crepe paper streamers, this set the theme of Valentines Day.

A throne at one side of the stage was reserved for the newly crowned King and Queen of Hearts. The King and Queen were elected out of the top 5 finalist. The top five included the following: Dennis Berry and Bobbi Carse, Ernie Thomsen and Beverly Harms, Gary Little and Pat Reynolds, Gary Martin and Charlene MacLellan, and Jerry Carothers and Nancy Taylor.

Out of the above mentioned, Ernie Thomsen and Beverly Harms were the couple designated as the new King and Queen of Hearts. Refreshments consisted of punch and cookies which were served in the teachers Cafeteria.

THE NORTH WIND, held a contest to find the girl with the longest pony tail on the campus. The contest had quite a turn out with so many of the Saxon ladies sporting a pony tail. Most of the girls had a chance, for the contest not only included the longest pony tail but also the shortest.

After a week of measuring, the winners were selected. Diane Binford, a Sophomore won the contest for the longest pony tail (24 inches). The runner-up to Diane was Marlane Norsoph, her pony tail was 21 inches. As for the shortest pony tail, Karen Jackson took the honors with a tail of only three-fourths of an inch.

Jan Dudley of North High won the essay contest sponsored by the Torrance Junior Chamber of Commerce. Essays which were submitted from North High were screened by Miss Devaney and Mrs. Gra-

hamer, Senior English teachers. Each essay dealt with self-reliance and personal initiative as a basic step to security.

Out of the five finalists, three were from North High, Jan Dudley, Clarence Fuzak, and Jackie Rupe. Each finalist received a certificate and a medal representing their honors in the contest. Jan Dudley is the winner from the Torrance area. She won two trophies; one for herself and one for the school. The essay will be sent to the state-wide finals. If she wins this she will go on to the National finals in Washington, D. C., where the top prize is a \$1,000 scholarship. North is proud of Jan and wishes her the best of luck.

Area Chest Agencies Cover Multitude of Services

Secondary only to the fundamental need of 167 health and welfare agencies serving Los Angeles Community Chest area is the responsibility for allocating campaign proceeds for maximum benefit to the greatest number of people.

NO OTHER PICKUP ...RIDES LIKE A '59 FORD

You get the smoothest ride of any 1/2-ton pickup, thanks to Ford's heavy-duty, 2-stage rear springs and long, tapered leaf front springs. Scientific Impact-O-Graph tests prove it. Non-sag type wire springing in seats provides natural body support for added comfort.

27 Ford pickups for '59! Choice of 3 wheelbases, 3 body styles, 4 body sizes and 5 Short Stroke engines.

...HAULS LIKE A '59 FORD

Roomy Styleside box gives you 56 cubic feet of loadspace on 110-inch wheelbase. Big 8-foot box with 70 cubic feet of load capacity is available with 118-inch wheelbase. Both bodies feature welded all-metal construction to give the structural strength needed for heavy hauls. Ford's toggle-type latches hold tailgate firmly in position to eliminate rattles. And you've got Ford Short Stroke power to haul without huffing or puffing.

'59 Ford Styleside is roomy—and rugged! Wrap-around rear corners with rigid box-girder type construction strengthen both body and tailgate.

...SAVES LIKE A '59 FORD

To the only Short Stroke Six in pickups today, Ford now adds a new economy carburetor. Result: the greatest gas-saving combination of the road—and it's yours at no extra cost! And remember—if you need the extra power of a V-8, Ford has had more experience in building V-8's than any other truck manufacturer.

And a Ford keeps on saving! Maintenance is low, trade-in value is traditionally high. And insurance studies prove that Ford trucks last longer!
