WOOD IN ALUMINUM . . . Looking over a new sign for Wood Elementary School are LeRoy Aldershof, maintenance and operations supervisor, and Ted Hines, letter maker, who completed the aluminum-lettered new sign for the school district after the administration discovered that the signs could be made by the district maintenance department at a fraction of the manufactured cost. New signs for nine other elementary schools are in the offing.

Tartar Teen Talk

The winning plays for Torrance High's annual One-Act Play Festival were announced March 30th and 31st. The event is sponsored by Rosemary DeCamp, who with the help of Torrance's drama-speech teacher, Miss Marcia Larson, chooses the plays.

Those chosen were: "Just Like Irving," a mystery-comedy play by Sally Mason; "The Education of Rutherford Pygmeleon," a comedy by Lynn Keller; a serious drama by Tony Carillo called "Decisive Moments"; Earl Newsome's comedy "Endless Cycle," and Walter Janoff's fine serious drama "They Shall Rise."

Many think these are the best one-act plays written at THS in a long time, and should prove to be very good entertainment for all. After the winning plays were announced, tryouts for them began March 31st.

boy's and Girl's Leagues put on a hospitality tea to introduce new students to our school. It was held during a six-day period in the cafeteria. Receiving the program, punch and cookies were served. School leaders and club presidents gave talks concerning their clubs and their purposes, and new students were introduced socially as well as academically.

Torrance's baseball team played Leiminger twice Tuesday, March 24th. Our team has done real well so far, and this continues Tuesday when we walked off the diamond with a 7-2 victory.

MARCH 31ST was also the day chosen to announce the student from Torrance High who will represent the United States abroad for the American Field Service. The student chosen was Mary Smiley, a junior. She will be told later this spring what country she will be sent to.

On Friday, April 3rd, the program was entertainment. The student from Torrance High who will represent the United States abroad for the American Field Service. The student chosen was Mary Smiley, a junior. She will be told later this spring what country she will be sent to.

THE LATIN banquet was held April 1st in the school cafeteria. Members of the first and second year Latin classes took part in the feast, and a good time was had by all. Everyone dressed in the typical Roman garments, and followed the eating habits of old Rome.

Also included in the program was entertainment. The entertainment was provided by Diane Hunter, Carole Moore, Diana Doyle, Dolores Atenei, Diane Hinchshaw, and Yvonne Graham who did a harem dance, while Sharon Clark, Mardell Clayton, Linda Hoelter, Susan Higgins, Jean McNeil and Joyce Wayt danced to the theme from "Helen of Troy."
