**'BUS STOP' TO RUN FOR THREE WEEKENDS**

"Bus Stop," a romantic comedy about a handful of people stranded by a snow storm in a roadside cafe, opens a three-week run at the San Pedro Playhouse, 501 S. Cabrillo, at 8:15 p.m. tomorrow. Performances will take place Friday through Sunday of this weekend and the following two week ends.

Playing the female lead of Cherie, the chanteuse, is Teddie Lee Halley, 18, of 2311½ W. 241 St., Lomita, a newcomer to the San Pedro Theatre Arts players. Employed at the district attorney's office, she portrayed the queen in the Children's Theatre production of "The King's Cream Puff" and took second place in 1956 in a Miss Hanford beauty pageant. She plays the violin, clarinet, and organ, and has been a dancing instructor.

started little theatre work back stage with the Palo Alto Community Players many years ago. With her husband, she has worked in a number of South Bay area theatre productions including those of the Manhattan Players, Chapel Theatre Arts. For her performance in Chapel's "Bad Seed" she received the best supporting actress award. Hal usually does duty as SPTA's production manager. He is vice president of the non-profit theatre group. Both appeared in the SPTA production of "Guest In The House."

**Riviera Hospital Gets Accredited**

Jack Saylin, administrator of Riviera Hospital, announced today that on its first evaluation, the Joint Commission on Accreditation of Hospitals has formally accredited Riviera Hospital.

The Commission, whose members are the American College of Physicians, the American College of Surgeons, the American Hospital Association, the American Medical Association, and the Canadian Medical Association, establishes standards to insure high quality of medical care in hospitals and their medical staffs, which can be faithfully recommended to the public.

Hal and Marion Lepper, husband and wife in real life, play the secondary romantic roles in "Bus Stop." They reside at 23726 Vine Ave. Marion
