Tartar Teen Talk

By SHARON CLARK

After school Monday, April 20th, Rosemary DeCamp Shidler paid a visit to Torrance High. Miss DeCamp came in connection with Torrance's Original One-Act Play Festival, which she sponsors. Many publicity shots were taken of the rehearsals to publicize this great event.

WEDNESDAY afternoon, April 22nd, five THS Student Council members attended a Pioneer League Forum held at Beverly Hills High School. The students representing Torrance were John Bentwood, student body president; Pat Travis, student court judge; Joanne Isbelle, sophomore class president; and Judy Sherwood, commissioner of group control.

THURSDAY, the 23rd was the day chosen to present the one-act play, "The Education of Rutherford Pygmalion" by Lynn Keller. The play was a very funny comedy with Bill Tilley in the lead role as the British-born boy Rutherford. The other students which played very convincing characters were Carol Porterfield, Bill Miller, Bill Schiman, Donnie Smith, Wes Gravin, Lynn Keller, Rita Winfield, and Jan Plenz.

FRIDAY night, April 24th, was the big night for all of Torrance High. It was the night for the one-acts. The

curtain went up at 8 p.m. on Sally Mason's play "Just Like Irving." The audience seemed to enjoy this funny mystery-comedy with Pat King playing the lead as Gloria. When the curtain went up again it was on Tony Carrillo's play "Decisive Moments." This play was very well presented with Ernie Smith and Sharon Clark playing a young married couple. The third time the curtain went up it was on Walter Janoff's play "They Shall Rise." This play was also very good with Jim White and Russ O'Hare playing the male leads.

Following the plays a critique was held in the school cafeteria where Rosemary DeCamp and Ann B. Davis of the Bob Cummings Show, among other personalities evaluated and talked about the plays. Trophies were then awarded to Sally Mason, Walter Janoff, Tony Carrillo, and Lynn Keller for their plays being presented.

FOR SEVERAL weeks the senior class has really been busy planning for the many senior activities. All of the committees are in full swing now, and working very hard. It won't be long before graduation, the event all of the seniors are looking forward to. Commencement will be held on June 11th.

AT THE PLAY Festival, John Bentwood, Torrance High School student body president, presented Miss DeCamp with a beautiful pen set in appreciation of her splendid support of the One-Acts these past years.
