

Dance Studio Plans Revue

The three dancing arts—tap, ballet, and ballroom—will be represented here Sunday evening, June 14, when the Three Arts Dance Studio, 2252 W. Carson St., presents a revue at the Civic Auditorium beginning at 7:30.

In addition to the standard routines, students of the studio will present interpretations of Hawaiian dances, character, tap-ballet and ballroom sketches.

The summer term at the studio will open the day following the revue.

Thrifty Drug Opens 30th Anniversary Celebration

Thrifty Drug Stores Co., the Pacific Coast's largest drug, variety and junior department store chain, will celebrate 30 years of service to the homes and families of the west as it begins its month-long 30th Birthday Jubilee this week.

The Jubilee is the largest merchandising event of the year and, also, awards to Thrifty customers almost \$15,000 in prizes, according to Thrifty executives.

BEGINNING with but one small store in the depth of the depression in 1929, Thrifty has

grown meteorically, until today, 30 years later, Thrifty operates 144 stores in California. Thrifty is the second largest drug firm in the nation.

Commemorating the fabulous growth, Thrifty is conducting a month-long, store-wide sale. Manufacturers and suppliers from all over the country are cooperating with Thrifty to help bring to the drug chain's customers the biggest values and the greatest savings of the year. Each and every Thrifty department is a part of the huge merchandising event. Literally hundreds of items of all new first-quality merchandise go on sale at the lowest prices of the year, it was reported.

THRIFTY customers have an opportunity of winning one of 61 exciting prizes, including a deluxe model Paddock swimming pool, a Glasspar 19-foot Cabin Cruiser, a Hillman four-door sedan, and four custom-built Filton patios. To enter the contest, a person simply writes his name and address on a Thrifty cash register receipt, or reasonable facsimile, and drops it in the box. No purchase is necessary. However, there are bonus prizes accompanying each of the major prizes if the entry blank is accompanied by a label, box top, or reasonable facsimile, of one of the 400 selected bonus items posted at all Thrifty Drug Stores. Topping the bonus prize list are Hoffman "Spanette 17" television sets to be awarded the first three winners.

JOHN PREIS HEADS COUNTY MD CHAPTER

John J. Preis, manager of the May Co.'s South Bay store, is the new president of the Los Angeles County Chapter of Muscular Dystrophy Assn., it has been announced.

Preis has served as campaign chairman for MD in the county the last two years.

In assuming his new duties, Preis said that less than a decade ago research into the cause and possible treatment of the disease was practically non-existent.

"This year," he said, "more than \$86,000 has been allocated by MDA for local research at UCLA and SC."

Robert Hunter Gets Degree in Oklahoma

Robert Ray Hutton of Torrance was among the 1783 candidates for degrees at the Oklahoma State University commencement exercises last week at Stillwater, Okla. Hutton received an associates degree in diesel engineering granted by the two-year technical institute program of the university.

STRIPED BASS STOCKED

If all goes well, the first introduction of striped bass into the Colorado River will be made this week by the Department of Fish and Game. The DFG hopes to seine at least 1,000 stripers 3 to 6 inches in length from the San Joaquin Delta area and transplant them into the Colorado River near Blythe.
