

LAST MINUTE RUSH TO REGISTER CARS SEEN

If you haven't paid your 1958 auto license fees yet, you'll probably have to stand in line to beat the deadline at Tuesday night. At the local Department of Motor Vehicles office, 1916 Border Ave., business was picking up last week, but as of Friday, only 32,000 of an estimated 47,000 re-registrations had been completed.

Rush Seen
A last-minute rush is expected this Monday and Tuesday, however. Residents may present their registration cards at

either the Bank of America in Redondo Beach or Gardena, if there are no changes to be made on the cards, but only the Department of Motor Vehicles can handle any changes. Anyone who has not yet received his statement of fees from Sacramento should present his 1957 registration or other papers at the DMV and pay his 1958 fees, to avoid penalties. Registrations mailed in must be postmarked by midnight Tuesday.

Fees not paid by Tuesday will be subject to these pen-

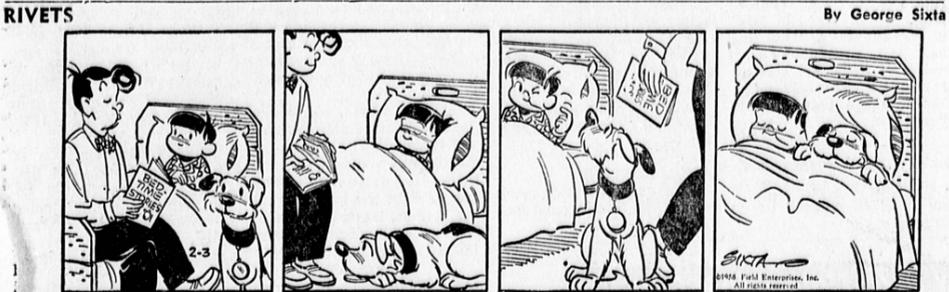

alties: One hundred per cent of the registration fee on all vehicles, both passenger and commercial, 100 per cent of the weight fees on commercials and 50 per cent of the vehicle license fee.

Example Given
Example: The flat registration fee on any vehicle is \$8. Weight fees are based on the unladen weight of a vehicle. On passenger cars, the vehicle license fee is computed on the basis of 2 per cent of the rated value of the vehicle, and

is part of the total fee due. Now if the total fees due on a passenger car are \$38, the registration fee would be \$8 and the vehicle license fee would be \$30. If not paid on or before next Tuesday, the penalties would double the registration fee to \$16, would add 50 per cent of the vehicle license fee, for a \$45 sum—which would boost the total fees to \$61.
