

Temple Will Hear Rabbi Goldensen

Dr. Samuel H. Goldensen, rabbi-emeritus of Congregation Emanu-El, New York City, will be a guest at a combined meeting of the Temple and Sisterhood at Temple Menorah, 112 N. Catalina, Redondo Beach, at 8:30 p.m. Monday.

One of American Judaism's leading figures, Dr. Goldensen will present an inspirational message to the local temple, which is presently expanding its intellectual and spiritual program.

The former president of the Central Conference of American Rabbis and vice president of the World Union for Progressive Judaism, Dr. Goldensen is an honorary board member of the Union of American Hebrew Congregations.

In explaining his urge to be of service to his people, Rabbi Goldensen said: "Feeling as I do that the real problems of our day are at bottom moral and spiritual in character and not political or economic, and believing that the things that Judaism has stressed through

its Lawgivers, Psalmists, Sages and Prophets are most relevant to the needs of these critical times, I have decided to spend as much of my time in the future as is possible in talking Judaism to our people.

"I am convinced that the more we learn about Judaism and value its essential quality, the more strength we will find to bear the burdens laid upon us, the better account we will be able to give of our selves in our respective pursuits in life, and the surer and finer contributions we will make to general betterment." Refreshments will be served following the meeting.

Minister, Wife Feted By Church

Calvary Baptist Church, 2818 Manhattan Beach Blvd., celebrated the fifth anniversary of its pastor, the Rev. H. Earl Kuester, with an all-church reception last Sunday evening after service.

With Ray Shockley, chairman of the board of deacons, presiding, the congregation gathered in the social hall to hear the tributes of appreciation to Rev. and Mrs. Kuester and to see gifts from the congregation presented.

Gifts Given Mrs. Walter Koch of the board of deaconesses presented a white orchid to Mrs. Kuester and Hank Thomason, chairman of the board of trustees, presented a dazzling red and white golf bag with 12 golf clubs to Rev. Kuester.

Rev. Kuester gave thanks for the gifts, and for the loyalty and support of the 825 members of the church. The church had about 300 members when he came five years ago. The congregation sang: "For He's a Jolly Good Fellow," and followed the Kuesters to a tea table which held a huge cake decorated as an open Bible and with the words: "Congratulations on Your Fifth Anniversary."

He has accepted a call to become pastor of Emmanuel Lutheran Church in Spokane, Wash. His new post will be at a downtown church which is relocating in a residential area. A \$170,000 building program is planned at this church.

'Mind' Named Lesson Topic This Sunday

The infinite intelligence and power of God is stressed in the Lesson-Sermon on "Mind" in each Christian Science church on Sunday.

From the Bible Job's words bring out the nature of God as Mind when he says, "I would know the words which He would answer me, and understand what He would say unto me . . . I have esteemed the words of His mouth more than my necessary food. But He is in one mind, and who can turn Him?" (23:5, 12, 13).

Mary Baker Eddy declares in a correlative passage from "Science and Health with Key to the Scriptures," "Intelligence is omniscience, omnipresence, and omnipotence. It is the primal and eternal quality of infinite Mind, of the triune Principle.—Life, Truth, and Love,—named God" (p. 469).

The Golden Text is from Job (38:5), "Behold, God is mighty, and despiseth not any: He is mighty in strength and wisdom."
