

General Phone Hoopsters Upset Wrights, 67-63, in Final Seconds

General Telephone Co.'s basketball team upset Wrights 67-63 at North High last week to move into a second place tie with the Wrightmen in the Torrance Recreation Open League.

The winners hustling and hot shooting kept them in the lead for a greater part of the game. However, they had a dark moment when with but 12 seconds remaining to be played, they were on the short end of a 62-63 score and the opponents having ball control. The cloud cleared away in an unexpected manner.

Wrong Call

Wrights, believing they had another time out remaining, called for a time out and were charged with a technical foul. J. Hernandez sank the free toss

to tie up the game and on the sidelines toss in, Grady Sain threw down the court and traced in a two pointer for the clincher just prior to the buzzer. Chuck Schooley was fouled on the play and dropped in both ends of a one and one after time had expired.

The phone men spread their scoring well, J. C. Isley, Grady Sain and Chuck Schooley top-

ping their efforts with 15, 12 and 11 points respectively. Bob Moon, playing guard for the losing cause, dropped in 15 field goals and 8 out of 11 attempts from the line for a 38 point scoring outburst.

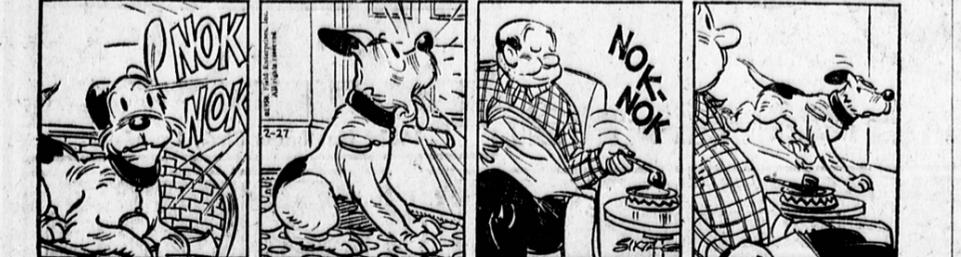

Forfeit Game

In the 8:05 game, Foods Co. won over Knolls Drug Store by forfeit but were smothered 74-41 by the druggers in an exhibi-

tion go. Wally Robbins scored 21 for the Foods five and John Kincannon had 17 for Knolls.

Kenny's Shoe Repair stepped back into undisputed possession of first place following their 81-37 conquest of Fenwick's Shoe Repair in the last game combined with Wrights loss in the first contest. Bill Fraser with 23 and Bob Ezell with 20 points spearheaded the winning attack. Forward Gary Paulson was high man for the losers with 12.
