

Children's Day At Art Exhibit Scheduled Here

"Art As We See It," Torrance Art Group's member exhibition being held at the Torrance Plunge, 3331 Torrance Blvd., is setting aside Saturday as Children's Day from 2 to 5 p.m.

"The Face of Lincoln," a short film to be shown at 3 p.m., has sculptor Merrell Gage starting with a head of

Lincoln as a young man, and during his talk quickly and skillfully shows the changes in Lincoln's face up to the time of his death.

Preceding the showing of the film will be a copper etching demonstration given by Lillian Baker, Art Group board member. Mrs. Baker, a native New Yorker, studied at the Acad-

emy of Fine Arts, and was given a scholarship at the Art Students' League, both in New York, and attended a summer session of the U. of New Mexico on a scholarship.

Following the film Moni Gillett, with many years of experience teaching children's art classes and in the fine arts field, will conduct a tour of
