**Sunrise Rites
Slated Sunday
At St. Andrew's**

The usual Easter Sunrise Service will be held at St. Andrew's Episcopal Church at 5:34 a.m. Sunday. Father Hugh R. Percy, rector, said the Sunrise Service is only one of five to be held that holy day. Other services begin at 7, 9 and 11 a.m. and Easter Evensong at 7:30 p.m. All except Evensong are Communion services. The church is at 1432 Encarnacion St., opposite Torrance Memorial Hospital.

**BAPTISTS
WILL HOLD
2 SERVICES**

The Narbonne Ave. South Baptist Church, 24730 Narbonne Ave., will have two services this Easter Sunday, at 8:30 and 10:45. The pastor, Robert A. Wells, will speak at both services on the subject, "Man's Worst Enemy Defeated." The adult choir will sing at both services.

The church choir will present the Easter music at the evening service. The music will feature a medley of Easter music with special numbers by members of the choir. The choir will be directed by Bill Morgan with Mrs. Sylvan Shipley at the organ and Mrs. John Knowler at the piano. The annual Youth Week will begin with the recognition of the Youth Week officers on this Sunday. They will conduct the mid-week services on Wednesday night. On Sunday, April 13, they will teach the Sunday School classes, work as sponsors and leaders in training union, and perform many activities ordinarily cared for by the adult leadership. They will be guests of the regular workers at the monthly Sunday School workers' dinner on Wednesday, April 9, at 6 p.m. The pastor will be the evangelist at a one-week revival in Highland beginning Sunday night.

**Church Plans
Two Services
Easter Morn**

Easter services at the Redondo Beach Church of Religious Science, 503 S. Catalina Ave., will be held at 9:30 and at 11 a.m.

There will be two identical services. Members and regular attendants are urged to attend the earlier one in order to facilitate seating everyone.

There will be special music presented by John Bennett and the new choir.

Dr. Earl D. Barnum will discuss "The Eternal Beauty of Life." He will attempt to answer such questions as: "What does the veiled future hold for every human being? Will we find a new kind of beauty in eternity?"

Next Wednesday at 10:30 a.m. the Inspiration Hour will meet and the monthly luncheon hour will be held at this time. Wednesday evening at 7:30 will be regular meeting of the board of trustees.

On Thursday evening from 7:30 to 9:30 the accredited college course meets, nearing the finish of the first unit. Enrollment for the second unit is possible now for those who missed this section at some other time.

Choir practice is Friday evening at 7:30 p.m.

**Richard Lee
Lecture Set
This Friday**

How spiritual understanding of God can be applied to solve problems of today's materialism—including fear, disease, and sin—will be the topic of a free lecture on Christian Science by Richard Lee of London, England, here Friday.

Mr. Lee will speak under the auspices of First Church of Christ, Scientist, in the church edifice, 218th St. and Manuel Ave., at 8 p.m. His subject will be "Christian Science: The Law of Spiritual Dominion Over Material Domination."

A member of the Christian Science board of lectureship, Mr. Lee is on an extended tour. For many years active in education in Great Britain, he became a student of Christian Science after he was healed of an illness that invalidated him from the British Army during World War I.
