

**Malicious Mischief**  
 Nearly \$1000 damage was caused to an oil ring and truck near Maple Ave. and Carson St., Tuesday.

The act of malicious mischief resulted in destruction of property and the culprits even put dirt in the motor, police reported.

**'Kavalcade' Tickets Ready**

Tickets are now available for both performances of the Kiwanis Kavalcade of Youth Show May 2 and May 3 at the Torrance Civic Auditorium. The Kavalcade will be composed of nearly 250 local youths performing in specialty and group numbers. In addition, several professional entertainers will perform each night.

Tickets for either performance may be obtained by phoning C. Baumgardner, or by calling at 1441 Marcelina Ave., Torrance.

The Youth Show serves a two-fold purpose. In addition to providing children who perform in the show with free

training and stage experience under the direction of Roy Gordon, famous producer of talent shows for children, all funds realized are used for local charity work. The Torrance Kiwanis Youth Foundation, a division of the Torrance Kiwanis Club, is sponsoring the show, with all derived funds being devoted to youth work and underprivileged children of the Torrance area.

There are still openings for children who would like to appear in the show in non-specialty roles, such as background singing and simple dance numbers.

**... Traffic**

(Continued from Page 1)  
 ...ulation, especially in the Torrance area, has brought traffic congestion to a standstill, Baker reports.

**Old Roads Hit**  
 "We just can not move the thousands of cars in the area today over roads designed and built more than a quarter of a century ago," Baker said recently.

He and other Inter-city officials have been pointing out during the past few years that the southwest county area has the most inadequate road system in Southern California. Their claims have been backed by county and private surveys of the situation.

A report on the city's probably cost for the study and a recommendation for the council will be submitted at an early meeting of the city fathers, it was indicated.

**BIRTH RECORDS**  
 Only 13 states had birth registration record laws before 1910.

**Firms Unite**

Robert H. Finch, president of Palos Verdes Federal Savings, and Russell C. Chase, president of Westchester Federal Savings, announced jointly this week the merger of the two financial institutions into a single, locally managed organization known as Marina Federal Savings & Loan Assn.

Finch said the merger was recently approved by the Federal Home Loan Bank Board and the Federal Savings & Loan Insurance Corp.

Combined assets of the two associations amount to more than \$16,000,000. The operation of Marina Federal is from existing locations at the present time with Finch serving as chairman of the board and Chase as president and manager.

Finch said Mildred Bechstrand, Jack Drown, and Manley Natland join him as members of the Marina board of directors, a move to insure continued interest in community activities by members of Marina Federal from its Torrance office.

**WHAT'S DOING**

R. S. Pyle, your Telephone Manager in Torrance

Why are these two phone men having such a hard time opening that metal box? You can blame it on corrosion. It can rust or crack even tough metals, and here it has sealed the box shut. Phone wires from your house are connected to a box like this. But this one, in a special test, was exposed to wind, fog and ocean spray. We use these tests to learn new facts about corrosion. We also test to find metals that can resist it, yet are economical. By controlling this and other destroyers, we save thousands of dollars worth of equipment each year—and make your service still more reliable.

**MOTHER'S DAY — SUNDAY, MAY 11th**

Why not give her a kitchen phone in color? It is a gift that will save her time and steps all the year. She will remember you every time she uses it and she will take pride in the beauty a color phone adds to her kitchen. There are seven beautiful colors to choose from: Ivory, Moss Green, Cherry Red, Pastel Yellow, Light Grey, Light Beige, and White.
