Knowland to Support Aid For Schools

U. S. Sen. William F. Knowland announced today he will strongly support legislation continuing federal payments to school districts hard hit by federal activities.
 Torrance Unified School District is among those who have been receiving large amounts of federal aid.
 Knowland promised Southernland educators he will try to win passage for the bill in the higher house. The legislation recently passed the House of Representatives and now is scheduled for hearings by the Senate Labor and Public Welfare committee.
 The minority leader pointed out that in California alone last fiscal year, 24 per cent of all school districts in the state applied for assistance under the program. This constitutes 52 per cent of the total daily average attendance in the state within school districts

Recruiting Of Teachers TEAC Topic

Discussion of the teacher recruiting and training programs of Torrance Unified School District will highlight the Monday, May 12, meeting of the Torrance Educational Advisory Committee. It was announced here yesterday by Dr. Joe Bay, moderator.
 Scheduled for the YWCA at 12 noon, the meeting will also feature a buzz session on a 17-point program for Torrance schools recently outlined by the superintendent.
 located in 39 of the state's 58 counties.
 Many school districts in Southern California, where federal activities are heavy, would face an acute financial problem if the federal help is not approved, educators told the House committee.
 Knowland said that no control of local educational systems by the federal government is possible under the legislation.

Residents to Meet Betts

Bert Betts, Democratic candidate for state treasurer, will be in Torrance May 17 and 18, according to William Peake, 17th District coordinator.
 A press conference will be held May 17, 6 p.m. in the home of Rene Dean, 1443 Post Ave. Betts will meet guests later the same evening at the Dean home.
 The following day, 10 a.m., a breakfast will be held at Jack's Restaurant, Western Ave. and Torrance Blvd.
Chapel to Address Industrial Engineers
 Assemblyman Charles E. Chapel of the 46th Assembly District will be guest speaker at the May 13 meeting of the American Institute of Industrial Engineers.
 Meeting at the Rodger Young Auditorium in Los Angeles in Los Angeles, the engineers will hear Chapel discuss laws pertaining to engineers enacted during the recent session of the legislature.

Murdock Commends Board of Trustees for EC's Success

Amid the honors being bestowed upon him on completion of 11 years as president of El Camino College, Forrest G. Murdock paused today to credit one woman and 14 men for "unprecedented success" which the college has enjoyed in its rapid development and growth.
 The 15 have earned the warm commendations given them by the retiring president while serving as members of the Board of Trustees of the El Camino Junior College District.
 The president lauded El Camino boards for the leadership which they have exerted in the transformation of a 90-acre swampland into a beautiful, functional, modern campus in the period of 10 growth-packed years.
 Army Barracks Standing as a reminder of the plant as it appeared 10 years ago is the small cluster of army barracks still pressed into service on the southern boundry of the campus.
 "More remarkable than the development of the college," President Murdock observed, "is the fact that every brick and blade of grass is free of debt. One board after another has concurred in the belief in the pay-as-you-go plan which has been so successfully utilized in the financing of El Camino."
 Three successive tax overrides which gained approval of district voters have made the unusual system of school financing possible. Board members have concurred unanimously in the wisdom of the pay-as-you-go system which saves hundreds of thousands of dollars annually in interest and have inspired the confidence of their constituents in the plan.
Only Woman
 First board members in El Camino history were appointed in 1946; they were Dr. Ernest Lyder who now resides in the state of Washington, N. R. Kuhn of Manhattan Beach, Mrs. Kathleen Mumma, now residing at the Mission Inn in Riverside; Robert Russell, who residence is now at Twin Peaks in the San Bernardino Mountains, and the late R. L. Whitaker of Hawthorne.
 Mrs. Mumma has the distinction of being the only woman ever to serve on the board.
 Russell, who was also a member of the first elected board in the institution's history, served as president of the trustee group from 1946 until 1952. Also elected in the spring of 1947 were Mel Allen of Inglewood, Dr. Lyder, and Jordan Dunaway, who now lives in Rolling Hills.
 Other board members have been the late J. R. Black of Hermosa Beach, who served as president for two terms; Charles V. Jones of Torrance, and Al Wilson, now of Arizona.
 RAYOR PRESIDENT
 Seymour Rayor of Inglewood is currently serving as president; he succeeded Jack

Maurice Hoag Named Field Scout Leader

Maurice W. Hoag, of San Pedro, has been named the new field executive of the Los Angeles Area Council, Boy Scouts of America, serving the Harbor District.
 A graduate of Whittier College and Lompoc Union High School, Hoag is an Eagle Scout and a member of Order of the Arrow, national camping honor society.
 He has served as assistant Scoutmaster and camp counselor, and is a graduate of the Boy Scout National Training School in New Brunswick, N. J.
 Hoag will serve with John Walgren, of Torrance, district executive, and Al Waterman, of San Pedro, assistant district executive.
