

## Ballplayer Seeks Balm For Injury

A man who claims he broke his leg while playing ball at Torrance Municipal Park is seeking damages of \$68,000 from the city for his injury.

Robert A. Owens, of 24239 Ocean Ave., seeks the damages through a suit filed in Los Angeles Superior Court this week.

The suit alleges Owens suffered a double fracture of the left leg a year ago when he fell after stepping into a hole during a ball game.

## PUC Hearing Rescheduled

The California Public Utilities Commission has reset the public hearing for Dominguez Water Corp.'s request to extend water mains to July 21. The hearing originally was set for June 17.

Commission members also will investigate the property, operations contracts, service, and main extension rules of the corporation on that date.

Examiner Grant E. Syphers will preside at the hearing, 10 a.m. in the commission courtroom, Mirror Building, 145 S. Spring St., Los Angeles.

## ... Zone Change

(Continued from Page 1)

Mulvihill suggested that testing of the whirlybirds by the Duschak Helicopter Co. is being conducted illegally around the firm's plant at Western Ave. and Lincoln St.

The attorneys report was requested for the commission's meeting of July 2 at which time the owner of the firm was requested to be present.

About 20 residents of the area appeared at the meeting to protest the helicopter flights, which they claim are a nuisance and a hazard.

The occasion was a hearing to determine whether or not the company will be allowed to continue the flights, which are made to test rotors installed on the machines by the firm.

## Obituaries

### Minnie B. Williams

Funeral services will be conducted Monday, 1 p.m., in Halverson-Leavell Mortuary Chapel for Mrs. Minnie Blanche Williams, 82, who died June 6.

Born in Santa Barbara, Mrs. Williams made her home with a daughter, Mrs. Dorothy Mason, 17508 Elgar Ave., intermittently for the past several years.

In addition to Mrs. Mason, Mrs. Williams is survived by three other daughters, Mrs. Emma Wright of San Pedro, Mrs. Gladys Bruiger of Los Angeles, and Mrs. Leonora Vrandt of National City; nine grandchildren and 11 great grandchildren.

The Rev. John Taylor will officiate at the services and interment will follow in Green Hills Memorial Park.

NEW HEADQUARTERS... Marina Federal Savings will occupy new \$300,000 offices at 8750 S. Sepulveda Blvd. in Westchester late this month, according to President Russell C. Chase. The new offices at Sepulveda and La Tijera will contain 9000 square feet of space and represent a 500

per cent increase in working area over the association's present quarters one block away. A new area known as the "Marina Room" will be available to exhibit products and special displays of interest to area residents.

## Bank Scene Of Theft

Lawrence Poake, 820 Beech St., was standing in line to make a deposit Friday at a local bank on Sartori and Post Aves.

But when he reached the teller's window, he discovered that someone had lifted part of his deposit right out of his hand.

Beech gave police a description of the man he thought had slipped the money out of his hand.

## ... Medic Center

(Continued from Page 1)

George Gephart will construct the facilities.

The developer of the new medical center is no newcomer to the Torrance area. He began to work with doctors here, he reported, as early as 1923 and has been associated with many of the city's pioneer physicians and dentists.

As a member of the San Pedro Rotary Club he helped organize the Torrance Rotary Club, and is widely acquainted among early Torrance area residents.

"Torrance has always been my choice in Southern California," Jennings told the HERALD yesterday. "It has everything to offer for desirable living—healthy, smog-free climate, beaches, beautiful homesites, good roads, schools, hospitals, and many fine, well-trained doctors."

Jennings and Gephart have just completed a medical center in Santa Ana similar to the one proposed here.

## Students Begin Flag Raising Ceremony Here

In keeping with its program for better citizenship in the student body, North High School has recently begun flag raising and lowering ceremonies.

Instigated by the student council, these ceremonies take place each morning and evening, before and after school. With the playing of the National Anthem, all students, faculty and administration come to attention showing their respect to the flag. The Valiants, a school service club, has the honor of raising and lowering the flag.

"As what we learn in school has to do with the molding of our lives, we hope that the respect paid our country through our flag ceremony will mold our students into better citizens. As long as we are allowed to pledge allegiance to our country, the United States will continue as a democracy," stated Jim Warnemuende, ASB president.

GETTING THE WORKS... Jack Phillips, president of Torrance Civitan Club and one of the first entrants in the city's beard growing contest, gets a touch-up from two other contestants, Barbers Frank Segotto (left) and Andy Cochran. Torrance men interested in entering the contest may sign up at the Handy Andy barber shop at 1104 Crenshaw Blvd. Winners will be selected as a feature of Ranchero Days here next month.
