WHY HILLMAN?

The Car That Is New In Every Way

- Safest Car On The Road
- Styling Of Tomorrow
- Greatest Performance On The Road
- Unbelievable Economy

HERE'S HOW THE EXPERTS RATE THE BRILLIANT NEW 1958 HILLMAN:

POPULAR SCIENCE: "In the opinion of the writer, the Hillman with the price premium is the best buy among the more popular foreign cars selling under $2000."

CAR LIFE: "The Hillman 4-door Estate Wagon's combination of Americanized styling, ample performance and elegant comfort gives it Car Life's BEST BUY AWARD."

MOTOR TREND: "An excellent choice as a small car for the one-car family. More power from a sturdier engine—speed and acceleration to cruise easily at highway speeds. Durable, service and parts facilities readily available. Doors close solidly and unit construction body should remain rattlefree. Even six-footers can find leg room to ride comfortably."

MOTOR LIFE: "The four-speed floor shift is a little gem. Economy . . . good in all types of traffic and driving conditions. Should have wide appeal with those interested in smaller initial cash outlay."

SPORTS ILLUSTRATED: "For value, we pick the Hillman Husky ($1685) as a utility car."

Now . . . visit your Hillman-Sunbeam dealer for a test drive. See for yourself that Hillman has [illegible] power and acceleration [illegible] for you and your family. And think [illegible] for vacation luggage, too. Five models to choose from: 4-door sedans, sports convertible, 2- and 4-door station wagons . . . from $1685.
