assessments for the district between Arlington and Eshelman and south of Sepulveda Blvd.

Residents of the area asked for checks on the system after it developed that some of the lots were too low to be served by the mains in the streets.

A resurvey of the area brought out a total of nine lots which were not adequately served by the system which was just installed. A total of 160 lots are scheduled to be served by the new lines.

CITY ENGINEER Ronald Bishop admitted the error probably was the responsibility of the city after a spokesman for a private surveying firm said they were asked only for field data on certain phases of the project.

Bishop said a shortage of personnel in the engineering office was probably responsible for the fact that errors in design were not spotted earlier.

The councilmen unhappily voted to pay for the added work.

RESOLUTION NO. 1961

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF GARDENA, CALIFORNIA, INITIATING PROCEEDINGS ON ITS OWN MOTION TO ANNEX CERTAIN UNINCORPORATED TERRITORY DESIGNATED AS ANNEXATION PROPOSED NO. 2 TO THE CITY OF GARDENA, SETTING FORTH ITS REASONS FOR PROCEEDING TO ANNEX SAID TERRITORY, AND FIXING A TIME AND PLACE FOR A PUBLIC HEARING TO BE HELD BEFORE SAID COUNCIL WHEN AND WHERE OBJECTIONS TO THE PROPOSED ANNEXATION WILL BE HEARD.

Public Notice

WHEREAS, owners of real property included within the boundaries of the territory hereinafter described have made application to the City Council of the City of Gardena, California with reference to the annexation to the City of Gardena of said territory; and

WHEREAS, under the provisions of Section 35003 of the California Government Code, the matter of the proposed annexation hereinbefore referred to, has been referred to the Boundary Commission of the County of Los Angeles, California, for a report thereon with respect to the boundaries and territory of the proposed annexation and the proposed regulations, and the said Boundary Commission has been made and rendered; and

WHEREAS the City Council after receiving the report from said Boundary Commission regarding said proposed annexation, has elected to proceed with the matter of said proposed annexation on its own motion; and

WHEREAS, said Council has caused an investigation to be made and is advised by the Registrar of Voters of Los Angeles County, California, that less than twelve qualified electors reside within said territory; and

WHEREAS, under the circumstances said Council looks with favor upon and does hereby approve said proposed annexation and does not desire to require the filing of a petition signed by the owners of one-half of the assessed value of property as authorized and permitted by law.

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF GARDENA, CALIFORNIA, DOES HEREBY RESOLVE, DECLARE AND DETERMINE AND ORDER AS FOLLOWS:

SECTION 1. That said Council does hereby elect to proceed in the matter of the annexation of said territory under the provisions of the "Annexation of Uninhabited Territory Act of 1939," being Sections 35300 to 35326, both inclusive, of the Government Code of the State of California.

SECTION 2. That the said territory so proposed to be annexed to said City of Gardena is located in the County of Los Angeles, State of California, and is described as follows, to-wit:

A portion of Lot 189 of the McDonald Tract, in the County of Los Angeles, State of California, as shown on map recorded in Book 16, Pages 71 and 72 of Miscellaneous Records, in the Office of the County Recorder of said County, more particularly described as follows:

Beginning at the point of intersection of the Northwesterly line of Lot 6 of Tract of San Pedro Ranchos, as shown on map recorded in Book 28, Pages 15 and 16 of Miscellaneous Records, in the office of the Recorder of Los Angeles County, with the Easterly line of Normandie Avenue 100.00 feet in width, as shown on County Surveyor's Map No. 3166, Sheet 1, on file in the office of the Engineer of the County of Los Angeles, the last mentioned point being an angle point in the boundary line of the City of Gardena as same existed on May 1, 1958; thence Westerly at right angles to the said Easterly line 50.00 feet to a line which is parallel with the said Easterly line, said parallel line being the western line of the Pacific Electric Railway, as shown on said last mentioned map; thence Southerly along said parallel line to its intersection with the Northerly line of the strip of land for Dominguez Channel, as described in Case No. 50022 of the Superior Court of the State of California in and for the County of Los Angeles, a certified copy of which is recorded in Book 41345, Page 321 of Official Records in the office of said recorder, said Northerly line is distant Northerly 100.00 feet, measured at right angles to said parallel with the center line of Artesia Boulevard (formerly 174th Street) as described in deed to State of California recorded in Book 41020, Page 143 of Official Records in the office of said Recorder; thence Westerly along said Northerly line 550.97 feet, more or less, to the beginning of a tangent curve in said Northerly line, concave to the Southeast having a radius of 512.00 feet; thence Westerly and Southwesterly along said tangent curve to its intersection with the westerly line of said City of Gardena; thence Northerly along said boundary line and following the same in all its various courses to the point of beginning.

SECTION 3. That said Council does hereby elect to proceed in the matter of the annexation of said territory under the provisions of the "Annexation of Uninhabited Territory Act of 1939," being Sections 35300 to 35326, both inclusive, of the Government Code of the State of California.

SECTION 4. That said Council does hereby declare that these proceedings for the annexation of said territory have been initiated by it and said Council does hereby declare and set forth the following reasons on the request of said Council for the desire to annex such territory:

First: Said territory is contiguous to said City and is logically surrounded by, or contiguous to, a portion of said City;

Second: That owners of real property included within said territory have indicated to this Council their desire to have said territory annexed to said City;

Third: That all or a portion of said territory is now or will be subject to urban development, and it is necessary that adequate fire and police protection and other municipal services be rendered to said territory and to said City of Gardena to which said territory is contiguous;

Fourth: That the level of population and development in said territory area where said property is located indicates that said territory presently is and in the future will be in need of municipal services and governmental regulations performed by a municipal corporation, and without such annexation, said territory would not be eligible to receive or enjoy such municipal services from or as are provided to properties included within said City; and

Fifth: That said territory logically should be a part of the City of Gardena.

SECTION 5. That said Council does hereby set the matter of said proposed annexation of said territory to said City for public hearing before said Council, and does hereby fix and give notice of said hearing which will be held by said Council in the Council Chamber in the City Hall of said City of Gardena, 1656 Market Street, in said City, commencing at the hour of 8:00 o'clock P.M. (California Daylight Saving Time) on Wednesday, the 10th day of September, 1958, at which time said Council does hereby give further notice that at said time and place it will hear and receive any and all oral and written protests and objections that may be made or filed by any person interested in said proposed annexation and will hear evidence thereon respecting said proposed annexation or any matter or subject relative thereto.

SECTION 6. That the City Clerk of the City of Gardena, California, shall enter this Resolution on the minutes of the regular meeting of said City, shall make a statement of the passage and adoption thereof in the records of the proceedings of the City Council of said City, in the minutes of the meeting at which the same is passed and adopted, and as provided by law shall cause notice of said hearing shall cause said Resolution to be published at least twice, but not oftener than once a week, at least 30 days prior to the hearing above fixed and noticed in the GARDENA VALLEY NEWS, a semi-weekly newspaper of general circulation, printed, published and circulated within said City, and which is hereby designated for that purpose; and in addition thereto, shall be posted by the same said Resolution to be published at least twice but not oftener than once a week, at least 30 days prior to said hearing, in the TORRANCE HERALD, a newspaper of general circulation published outside of the City of Gardena, but in the County of Los Angeles, in which County is located the said territory proposed to be annexed. Said City Clerk shall also cause written notice of this proposed annexation to be mailed to each person to whom land within the territory so proposed to be annexed, is assessed in the last equalized county assessment roll available on the date notice procedures are initiated, at the address shown on said assessment roll or as known to the said City Clerk and to any person who has filed his name and address and the description of the lands in which he has any interest, either legal or equitable, with said City Clerk; said City Clerk shall also give any other or additional notice of such proposed annexation as may be required under the provisions of Section 35003 of said Government Code; said notice of such proposed annexation to be mailed not less than 20 days before the hearing above fixed and noticed.

SECTION 7. That this Resolution shall take effect immediately.

Passed, approved and adopted this 22nd day of July, 1958.
