

PLANNING "MS MARCH": . . . Talking over last-minute details for the multiple sclerosis fund-raising drive to be held here Tuesday evening are, left to right, Mrs. Edna Heimbach, MS patient and staff worker; Councilman John S. Gibson, Jr., president of the Los Angeles City Council; and Mrs. Shirley Coleman, Torrance chairman.

MS March to Be Conducted Here Tuesday

The multiple sclerosis fund-raising drive will be launched in Torrance Tuesday evening by a house-to-house "MS March." Funds will go toward rehabilitation of MS patients and research into the cause and cure of the so-called "Mystery Scourge."

A progressively disabling disease to the central nervous system, MS strikes men and women in the 20-to-40 age group, according to Mrs. Shirley Coleman, chairman.

Mrs. Coleman, whose brother died at the age of 41 after suffering 11 years from the progressive paralysis of MS, staged a single-handed "MS March" last year.

Large Backyard Owners Find Big New Chance for Retirement Cash

Houses for Rental Yield Three Times Greater Return Than Next Best Investment, Say Experts

If people who own a vacant lot or have a large back or front yard were to build a low down payment home for rental purposes they could solve their retirement problem . . . for the income from rentals will provide for a fuller retirement by supplementing Social Security, Company Retirement Plans or providing the entire retirement income.

For example, Mrs. Florence Dillon, 76 years, on the advice of her son-in-law, who is a Vice-President of the California Savings and Loan League, had Harmony Homes build a home on the front of her property in Bell, California. Today Mrs. Dillon enjoys an easier retirement because her rental income far exceeds her payments . . . and her tenants are buying the house for her besides.

Harmony Homes, leading Southern California "on-your-lot" builders, will advise with you on the possibility of your building a home for income or occupancy.

Harmony Homes, builders of over 7000 home, with 18 offices throughout Southern California, are the only on-your-lot builders: 1. offering a written money back guarantee on every home they build, 2. granted indemnity agreements by every major title company in the area, 3. with a rigidly enforced quality control system. Harmony Homes build quality 2, 3 and 4 bedroom homes ranging in price from \$4245.00 with 100% refinancing available depending on model and area.

Call Harmony Homes, Daventport 6-7443, and discuss your situation with a qualified building consultant, or drop in at Harmony Homes at 23223 Arlington Ave., in Torrance, today.

Adult Class Study Best Continuation

Adult school classes, rather than Saturday continuation classes, have proved better for high school age students who are forced to work, according to a report to the Torrance Board of Education.

Last fall, special Saturday continuation classes for the 16 to 18 year olds were discontinued and these students were given a chance to attend adult classes. This spring, 19 of them graduated and 38 completed the year.

Attendance at adult classes was much better than it was at previous Saturday sessions, the report noted.
