CWF to Meet On Aug. 4th

The regular monthly meeting of the Christian Women's Fellowship of the First Christian Church will be held Tuesday, Aug. 4, at 9:30 a.m. The speaker will be Mrs. Opal Jones, executive secretary of the Avalon Community Center in Los Angeles. She will speak on "The Community Center: A Social Agency with the Church."

The Center is a place for the whole family from adolescent to grandfather. It is a place to play, work, and plan for better living conditions for the neighborhood. Emphasis is placed on education, housing, health, recreation and good citizenship. The Center strives to help each individual develop to the fullest and to promote intercultural understanding, goodwill and brotherhood and appreciation for cultural heritage. When an individual or a group needs personalized help, the Center refers them to the proper public or private agencies.

The Martin group will be hostesses for the brunch. Everyone is invited and a nursery is provided, sponsors report.

Little Company of Mary Hospital Scheduled for Fall Completion

Nearing completion for an opening early this fall is the 150-bed Little Company of Mary Hospital located at Torrance Blvd. and Earl St. The \$3,500,000 structure will be operated by the Sisters of the Little Company of Mary.

THE SISTERS' first hospital in this country was opened in 1930 at Evergreen Park. Originally a 150 bed, four story structure, it has been expanded to nine floors with 450 beds. It is fully accredited and the largest Catholic hospital in the Chicago area.

At present the Little Company of Mary sisters have 43 hospitals throughout the world, including five in this country. The Torrance institution is the sixth in the United States and the first established west of Chicago.

THE TORRANCE hospital's four surgical rooms and recovery ward; obstetrics department, including labor and delivery rooms, and recovery ward; pediatrics department and 24-hour emergency facilities are air-conditioned.

A covered walk leads from the main hospital building to the large one story service building at the rear. This houses the boiler room, laundry, sewing and linen rooms and incinerator.

DESIGNED TO serve 19 neighboring communities, the hospital has a service elevator and two patient elevators, with provision for a third patient elevator.

This will be put into operation when the additional three floors are added to the building in the future. Future plans also indicate an extension to the east wing.

The present street floor will house the 24 hour emergency facilities, out-patient clinic, X-ray, therapy, kitchen and storage area. Lobby, business of laboratory and pharmacy will be on the first floor.

SURGERY AND recovery ward, central sterilizing unit and surgical patient rooms will occupy the second floor, with obstetrics, nursery and patient rooms on the third floor.

The fourth floor will have, pediatrics and patient rooms, along with the chapel and quarters for the sisters. A separate building for a sisters convent and a separate chapel are projected for the future.

THE SISTERS' motherhouse was moved to Rome in the early 1880's, although the order was founded in England by Mother Mary Potter. After this move the sisters gradually carried their nursing work to other countries.

Besides Dr. Wilson, the medical staff includes Fred F. Herman, M.D., Torrance, vice president; Howard E. Fischel, M.D., Redondo Beach, secretary-treasurer; and Matthew P. Romeo, M.D., Manhattan Beach, chairman, department of medicine.

OTHER DEPARTMENT chairmen are Louis T. Moore, M.D., San Pedro, surgery; Fred E. Rothell, M.D., Redondo Beach, pediatrics; Elmer M. Broen, M.D., San Pedro, obstetrics-gynecology; Joseph Nebolon, M.D., Lomita, general practice; Richard F. McClure, M.D., Redondo Beach, radiology; and John R. McGrath, M.D., Manhattan Beach, pathology.

Mother M. Genevieve will come here from Chicago during July to inspect the Torrance hospital. She also will establish general policy, name the administrator, and designate the number of staff nurses, sisters and other personnel at the hospital.
