Realtor Opens New Office

Ribbon-cutting ceremonies yesterday marked the grand opening of new, spacious offices for Taft Allen Realty at 20125 Hawthorne Blvd. The office, containing more than 1500 square feet, is the sixth in the veteran realty firm. The new offices, housed in newly constructed quarters, will provide space for the heavy volume of Torrance-South Bay transactions handled by the firm, Allen said during the opening ceremonies. City and civic officials from the Southwest area joined Allen in the ribbon-cutting. Heading up a staff of the new branch will be Buck Bailey, pioneer Southland builder and realtor, who is district supervisor for the Taft Allen firm.

"We will be able to service all of the Torrance-South Bay area from this office," Bailey said. He added that the firm has been licensed in Torrance, Rolling Hills, and all of the beach cities. Taft Allen does a large volume in home resale in addition to sales of commercial and industrial property, Bailey said. Allen is a member of the Shrine, Inglewood Rotary Club, and the Chamber of Commerce, and his organization is associated with six multiple listing boards, giving his clients a saturation coverage of the entire Southwest. Other offices are in Gardena, Inglewood, and Los Angeles.
