**Jess Hill to Speak Monday to Area Trojan Club Members**

**STILL CHAMP...** Phil Houser broke his own national record in the 100 meter butterfly at 1:15.4 in the 11 and 12 year old class. The local swimmer also took third in the backstroke and freestyle events over the same distance. The meet was held last weekend in Lynwood.

Torrance area Trojan fans can expect to get the low-down on SC's 1959 grid team here next Monday evening when Jess Hill, former SC grid coach and the university's director of athletics since 1957, narrates films of the SC-Oregon State opener in Portland scheduled for

Reservations must be made for the affair. To get in on the Trojan lowdown, call FR 9-5449, Ext. 18 during the day or FR 5-5665 in the evenings.

**HILL IS** well qualified to answer questions about Trojan athletes, having entered the University of Southern California in 1927, starred on baseball and football teams, and graduated with cum laude honors. After a 10-year professional baseball career with the Yankees, Senators, and Athletics, he began coaching football at Corona High, moved on to Riverside Junior College, then Long Beach Junior College before returning to SC's coaching staff in 1946.

A meeting of parent of the National and Central Little Leagues of Torrance has been called for 7:30 tonight at the Madrona School cafeteria to discuss formation of a PONY league for the city, it was announced here yesterday. President Jim Wayt of the Central League and President Dean Stewart of the National League have called the session to outline a plan for the league for boys 13 and 14 years of age.

**SINCE** returning to SC, Hill has fielded two national championship track and field teams, and in 1952 steered the grid varsity to an undefeated conference season, and became the only coast team to give the Big Ten its lumps by walking off with the Rose Bowl honors.
