Cadet Brooks On Winning Drill Team

Cadet Gary A. Brooks, son of Mr. and Mrs. J. B. Brooks, 3246 Eldorado, is a member of the drill team, one of the most interesting activities at Brown Military Academy in Glendora.

Cadet Brooks and other volunteer cadets devote many hours of their own time in extra training, preparing themselves for precision drill and manual arms, academy officials report.

The drill team cadets proudly wear a distinctive uniform, their own foragers, and a special ribbon.

The team is a traditional parade winner — and this year's team is holding up the tradition. The team won a second place trophy in the Julian Apple Day Parade, first place in the Azusa Golden Days Parade, and was chosen the best drilled unit in the Glendora Christmas Parade.

In addition to these, the team received a participating trophy in the annual Brawley Cattle Call Parade, and has performed exhibition drills, color escorts, and escorts for the homecoming queen at football games for both Azusa and Citrus Junior colleges.

17,000 Attend Group Conference at School

More than 17,000 parents attended group conferences at the Torrance Unified School District's 31 schools last fall, according to a report Tuesday night to the Board of Education.

These include about 14,500 elementary parents and 2500 from high schools. At the group conferences, many phases of the school program are discussed. Attendance of parents has risen steadily since 1954, when 6300 parents went to the meetings.

Moose Lodge Set To Hold Annual Dance of Dimes

The annual "Dance of Dimes" will be presented for the sixth successive year by Torrance Lodge of the Loyal Order of Moose at the lodge hall, 1744 W. Carson St., on Saturday, Jan. 30, at 9 p.m.

"Proceeds representing the admission donations," according to George W. Clay, governor of the lodge, "will be presented to the Torrance chapter of the March of Dimes fund for research in arthritis, polio and birth-defects."

Tom Ulrich and his orchestra will play for dancing. Three door prizes will be awarded.

A party and dance for members of the Torrance lodge and their escorted friends will be presented at the lodge hall next Saturday, Jan. 23, at 9 p.m. Mel Coates and his orchestra will provide music for dancing.

A delegation of Torrance members will travel to Long Beach lodge Sunday, Jan. 24, for a meeting of the South Central District of the California Moose Assn.

Dentists Ready To Check Teeth In City Schools

Seventeen Torrance dentists will inspect the teeth of first graders in local elementary school next month, under a program approved Tuesday night by the Torrance Board of Education.

The youngster's teeth will be inspected under auspices of the Torrance Dental Health Anns. After the inspections, students will be given slips indicating that their teeth appear to need care or that their teeth seem to be all right. Par-

ents then can handle the problem as they see fit.

Dentists will donate two half-days of their time to visit various schools. Taking part will be Drs. E. T. Anderson, P. Bader, Robert Barrett, Arthur Berke, Stanley Challis, F. Chan, W. Cutting, Bert Easley, C. Frama, G. Hall, Allen Hofferber, Graydon Hofferber, Robert Jackson, E. Landis, R. Shepherd, R. White, and E. Yamahata.

Discussions about care of

teeth are carried on in classrooms by the teachers and classes.

On Dec. 22, 1775, the new Navy commissioned 18 officers, including John Paul Jones. The "Father of the Navy" became the senior of the first five lieutenants appointed.

To quote Emerson, "What you are speaks so loudly, I cannot hear what you say."

Businessmen To Return to Schoolrooms

Many Torrance business leaders and industrialists will return to school on Thursday, March 17, as part of Education-Business-Industry Day.

The Torrance Unified School District and the Torrance Chamber of Commerce co-operate to put on the event. Last year, teachers toured a num-

ber of local plants and businesses to learn what makes them run. This year, the businessmen will visit the schools to discover what their programs are.

The day will begin with a general meeting at Torrance High School, where Superintendent J. H. Hull and other district officials will give introductory remarks. Then, the businessmen will be taken to various schools.

The principals will explain operations of schools and the

business leaders will sit in during actual classroom discussions of various subjects. They also will eat with the teachers. The program is designed to promote both better understanding of the free enterprise system and of the school system.

We Have no More Right to Consume Happiness without Producing It, than to Consume Wealth without Creating It. George Bernard Shaw
