

### Thom McAn Plans 'Teen Queen' Contest

Featured at the new, modern, air-conditioned Thom McAn drive-in family shoe center opening, Thursday to Saturday, March 17-19, will be six teenagers modeling shoes in the "Miss Thom McAn" contest.

Winner of the contest will receive a complete course at the famous Flaire Charm and Modeling School on the Sunset Strip. The course will include all phases of modeling including styling, poise and modeling manners used by the associated Flaire Modeling Agency, leading Los Angeles professional modeling group. All finalists will receive a stylish shoe wardrobe of Mr. Thom Designer Fashions.

Interviewing for the Miss Thom McAn contest will be held at the new Thom McAn store, Crenshaw Blvd. at Manhattan Beach Blvd., Saturday, March 12 between 2 and 4 p.m. The contest is open to all teenage girls in the area.

Other features of the three day opening will be the appearance of local disc jockeys and music personalities to sign autographs and give away records along with many other free gifts.

### Electric Shaver Service Opens

Another essential service is now available to the residents of Torrance with the opening of the Electric Shaver Specialists, 1336 El Prado, in downtown Torrance.

Max Miller, owner, has been in the electric shaver repair business for the past eight years and was manager of Western Canada's largest electric shaver repair shop for five years.

Miller says because beard patterns, skin, and contours of the face vary from man to man, electric shavers have become highly personalized items and for best results, should be obtained from a specialist.

"Feel free to drop in and try the shaver of your choice at the Shaver Bar," he said. "Electric Shaver Specialists stress guaranteed expert repairs, lower prices, and faster service," Miller said. "Drop in and discuss your shaving problem with us," he added.

### High School Speakers Vie At El Camino

Forensic speakers from Southern California High schools will match abilities in tournament competition at El Camino College Friday and Saturday.

Debating teams will meet on the first day of competition and are faced with the question "Resolved: That the Federal Government Should Substantially Increase its Regulation of Labor Unions."

Individual events for March 12 will be in areas of dramatic, humorous, oratorical interpretation; extemporaneous or impromptu speaking and original oratory.

Tournament committee members are L. R. Murrush of North High, Brother Robert Maquire, Serra High, William Lewis, La Mirada High and Herb Booth, Lynwood High.

Approximately 500 speakers will participate on the El Camino hosted program. Jack Kingsley is the host instructor and Jim Martin is the student manager.

PLANNING DINNER . . . John Fitzpatrick (left) and Dick Hillman, co-chairmen, are busy planning a St. Patrick's Day Dinner to be sponsored by the Holy Name Society of St. Catherine Labouré Parish. The dinner will be served from 1 p.m. until 7:30 p.m. Sunday at the parish hall, 3846 Redondo Beach Blvd. Edward Mach will be the chef in charge, and has planned a complete corned beef dinner.

### Class Probes Mysteries of Stock Market

Mysteries of the stock market are being cleared up for many Torrance area residents in a series of lectures which opened here last evening. A second lecture on the topic is scheduled for 7:15 next Wednesday evening at 1334 Post Ave. Hanley Rogers and other guest lecturers will conduct the sessions.

Sponsored by a Torrance securities firm, the series is entitled "How to Invest — the Stock Market and Mutual Funds."
