NEW FLAG . . . Irwin Kaplan, commander of South Bay 777 of the Jewish War Veterans, presents to Rabbi Henri Front a new 50-star flag. The flag flew over the capitol in Washington on the day that it became the official flag of the nation. Ceell King, U.S. Congressman, sent the flag, which will fly in front of the new Temple Menorah, to the South Bay Post.

Garden Checklist

1. Keep feeding and watering chrysanthemums. Stake tall growers now before they grow themselves out of shape.
2. August is an active month for lawn moths. Watch for brown spots in well watered lawns that shouldn't have them. Run for the insecticide if the spots or moth larvae show up.
3. You can start planting winter sweet peas this month. Dig a deep trench and layer six inches of manure in the bottom before adding soil and seed.
4. Brighten your garden with gallon can of yellow marguerite and blue aster frikartl. There's no quicker way to plenty of color.
5. For fall color, now is the time to put in bedding plants. Your C.A.N. nurseryman has a fine selection.
