Boneless Steaks

USDA Choice, Aged Beef

Safeway Steaks Are Different, Because:

1. Safeway meat buyers are hard to please when it comes to quality. Only top quality U.S.D.A. CHOICE beef will satisfy a Safeway meat buyer.
2. This fine beef is carefully AGED in Safeway's own aging plant to bring out the exquisite flavor and tenderness of the beef.
3. Safeway steaks are TRIMMED before weighing so all excess bone and fat is removed.
4. Safeway steaks are GUARANTEED to please you — or your money refunded.
