

DANIEL J. HAUGHTON
... heads Red Cross Drive

Haughton Name To Chair Red Cross Program

Daniel J. Haughton, executive vice-president of the Lockheed Aircraft Corp., has accepted the post of volunteer blood program chairman of the Los Angeles Red Cross Chapter.

Noting that "our annual production of more than 150,000 pints makes us the biggest blood program in the world," Haughton declared that "we're going to have to expand to a collection and distribution of at least 200,000 pints each year to keep pace with the spiraling demands of an ever-growing Southland."

Haughton's Red Cross volunteer "career" began in 1952 when, as manager of Lockheed's Georgia Division, he was named chairman of the Atlanta Red Cross Regional Blood Service.

Under Haughton's leadership, the Atlanta blood program in 1953 set a record mark of 66,666 pints — more than 8,000 pints more than had ever been collected there before.

Haughton, who lives at 12956 Blairwood Drive, Studio City, named Arthur G. Pollock, of the Los Angeles Newspaper Publishers Assn., to assist him as vice-chairman.

High School Registration Continuing

Registration of new students at Torrance's three high schools will continue today and tomorrow from 1 to 3 p.m. at the schools' counselling offices.

Students who attended Torrance Schools last spring need not re-register now, but students who lived elsewhere last spring or who attended private schools are asked to sign up. Parents are asked to accompany their children to schedule a program. Records of former schools should be brought.

Registrations are at North High, 3620 W. 182nd St.; South High, 4801 Pacific Coast Hwy., and Torrance High, 2200 W. Carson St. Students who cannot register this week may call the schools to make arrangements.

All high school freshmen will report to their schools on Tuesday, Sept. 13, for orientation sessions. North High sessions start at 8 a.m.; South High at 1 p.m., and Torrance High at 2 p.m. Students who live more than two miles away will be transported by school buses leaving scheduled stops 20 minutes before the orientation sessions. Buses will return 30 minutes after programs are over.

White Jr. Hi Schedules Registration

Pre-registration of new pupils will be held at Stephen M. White Junior High School on Tuesday, Sept. 6, and Wednesday, Sept. 7, between the hours of 9 a.m. and 3 p.m.

Registration will also be held on Thursday, Sept. 8, from 11 a.m. to 3 p.m. This pre-registration will be for three classes of junior high school pupils:

1. Those junior high school pupils who have moved into the Stephen M. White Junior High School district during the summer.
2. Those pupils whose attendance at summer school will necessitate a change of program for the new semester; and,
3. Those pupils who feel the need of special counselling for the new semester.

The new semester will begin on Sept. 12, at 8 a.m. The first day of school will be a mini-day with school out at 12:25.
