TH 1034
STATE OF CALIFORNIA
DEPARTMENT OF PUBLIC WORKS
DIVISION OF HIGHWAYS
NOTICE TO CONTRACTORS

Sealed proposals will be received at the office of the State Highway Engineer, Room 408, Division of Highways Building, 120 South Spring Street, Los Angeles, California, until 2 o'clock p.m. on November 3, 1960, at which time they will be publicly opened and read in Room 2 of said building for construction on State highway in accordance with the specifications therefor, to which special reference is made, as follows:

Los Angeles County, on Figueroa Street at 228th Street and in Torrance on Hawthorne Avenue at Del Amo Boulevard (VII-LA-165, 164-A, Tor). Traffic signal systems and highway lighting to be furnished and installed.

Bids are required for the entire work described herein.

Plans, specifications, and proposal forms to be used for bidding on this project can only be obtained at the office of the State Highway Engineer, Public Works Building, Sacramento, California.

Plans and specifications may be seen at the office of the State Highway Engineer at Sacramento, at the office of the District Engineers at Los Angeles and San Francisco, and at the office of the District Engineer of the district in which the work is situated.

No bid will be considered unless it is made on a blank form furnished by the State Highway Engineer and is made in accordance with the provisions of the Standard Specifications and special provisions. Each bidder must be licensed and also prequalified as required by law. The Department of Public Works reserves the right to reject any or all bids.

Abbreviations used in the schedule of predetermined wage rates in conjunction with employer payments listed in the right hand column are identified as follows:

ph	per hour
phw	per hour worked
phwp	per hour worked or paid
phwpd	per hour worked or paid
ps	per straight time hour worked
pswp	per straight time hour worked or paid
pswpd	per straight time hour worked or paid
pd	per day
pdw	per day worked
pdwp	per day worked or paid
w	wage
fw	gross wage
tw	total wage
md	per man day

Employer payments other than those itemized herein, as defined in Section 1773.1 of the Labor Code, are to be paid in accordance with the terms of the collective bargaining agreement applicable to the type or classification of the workmen or mechanics.

Overtime, Sundays and Holidays—not less than one and one-half

Public Notice

(1 1/2) times the basic hourly rate plus applicable employer payments. The holidays upon which such rates shall be paid shall be all holidays recognized in the collective bargaining agreement applicable to the particular craft, classification or type of workman employed on the project.

Copies of all collective bargaining agreements relating to the work as set forth in the aforementioned Labor Code are on file and available for inspection in the office of the Department of Industrial Relations, Division of Labor Statistics and Research.

Attention is directed to Section 7-1.01G of the Standard Specifications providing for employment of apprentices on the work. Every such apprentice shall be paid the standard wage paid to apprentices under the regulations of the trade at which he is employed. Information relative to employment of apprentices shall be obtained from the Director of the Department of Industrial Relations, who is the Administrative Officer of the California Apprenticeship Council.

Pursuant to the provisions of Section 1770 of the Labor Code of the State of California, the Department of Public Works has ascertained the general prevailing rate of wages and employer payments for health and welfare, vacation, pension and similar purposes in the county in which the work is to be done to be as follows:

Basic Rate	Classification	II and W	Vacation	Pension
\$3.83	Air compressor, pump or generator operator	15c phw/p	none	5c phw/p
3.08	Plumber	10c phw	none	none
4.275	Structural and ornamental ironworker	15c phw(1)	none	10c phw
4.65	Electrician	15c phw	1 1/2% of gw (3)	none
3.96	Painter (brush)	9 1/2c phw	none	none
3.91	Painter (spray)	9 1/2c phw	none	none
3.08	Laborer	10c phw	none	none

(1) travel time is considered as time worked.

(2) one hour is to be reduced by 25c in which event the basic rate may be increased to 12 1/2c phw/p.

(3) in accordance with agreement of September 3, 1946, between the National Electrical Contractors Association, Incorporated and the International Brotherhood of Electrical Workers as subsequently amended and generally known as the "Employees Benefit Agreement."

(4) 10c of basic rate per hour earmarked in lieu of any and health and welfare contributions and benefits.

(5) 45c vacation allowance included in basic rate per hour.

Any classification omitted herein not less than \$2.50 per hour plus employer payments set forth in the collective bargaining agreement applicable to the classification of the workman or mechanic involved, as defined in Section 1773.1 of the Labor Code.

TH 1034
CITY OF TORRANCE
NOTICE TO CONTRACTORS

Notice is hereby given that sealed proposals will be received at the Office of the City Clerk of the City of Torrance, California, until 10:00 o'clock a.m. on Nov. 9, 1960, at which time they will be publicly opened and read in the Council Chamber for performing work as follows:

Addition to, alteration, and improvement of existing pumping facilities at the Victor E. Benstead Plunge, 3331 Torrance Boulevard, Torrance, California.

Notice is hereby given that the City Council has ascertained that the general prevailing rate of per diem wages in the locality in which work is to be done shall follow the Provisions of Section No. 1770 of the Labor Code of the State of California.

Contractor is to perform all work as and when directed by the City Engineer.

Bids must be made on the special proposal form furnished by the City Engineer and must be accompanied by cash, certified or cashier's check, or bidder's bond, payable to the City of Torrance, for an amount equal to at least ten percent (10%) of the amount of the bid.

All bids are to be compared on basis of the City Engineer's estimates.

All bidders must be licensed as per Chapter 791, Statutes of 1929, as amended.

Plans, specifications, and form of proposal may be obtained at the office of the City Engineer, Room 20, City Hall, 3031 Torrance Boulevard, Torrance, California, upon payment of \$5.00 which is a charge and is not refundable.

The City Council of said City reserves the right to reject any and all bids received, to take all bids under advisement for not to exceed thirty (30) days after date of opening thereof, to waive any informality in any bid, and to be the sole judge of the relative merits of the material mentioned in the respective bids received.

All bids must be sealed and marked:

"Bid on the Improvement of Ardash Avenue at 163rd Street."

This notice is hereby given by order of the City Council of the City of Torrance, California, and is dated this Oct. 17, 1960.

A. H. BARTLETT
CITY CLERK
 City of Torrance
 S—Oct. 20, 27, 1960.

150,000 Items To Be Offered At Huge Sale

More than 150,000 items will be offered at the "World's Largest Rummage Sale" to be held Thursday, Oct. 27, by the Pasadena Auxiliary of Boys Republic, a non-profit, non-sectarian, farm school for boys from broken homes.

The sale will be held from 9 a.m. to 3 p.m. in the Pasadena Civic Auditorium. Last year the sale was attended by some 10,000 persons, many coming throughout the Southland.

Bargains will be offered in a wide variety of articles, and will include an exhibit of collectors' items of art, furniture, fabrics and literature.

SQUIRRELS REALLY GO FOR phone cables. They like to gnaw on them. Trouble is, this leaves holes that can interfere with your service. So to keep little teeth away, phone people put metal roofs over the most tempting cables or wrap them with steel tape. Squirrels don't like this, but it sure saves on repair costs—one more saving that helps us give you the most for your telephone dollar.

We work to make your telephone dollar go further in California.

Have Polyethylene bag... Will travel

A goldfish's life is not an easy one. Hungry cats, careless kids, and forgetful adults are hazards the average run-of-the-stream goldfish puts up with every day.

His troubles begin in a tank in a pet store, aquarium, or five-and-ten. There's no privacy, the food is just average—and eventually a net cuts the surface of the water and heads for him. In the resulting splash and panic, a goldfish can get hurt.

Fortunately, that danger has been eliminated recently for many goldfish by a new development: fish in bags. They're carefully put into polyethylene bags filled with water. Food is added, along with an oxygen-producing chemical, and the bag is sealed. Bags are displayed, and buyers can make—and take home—their choice.

The same qualities that enable polyethylene to hold live goldfish without damage make it ideal for other delicate jobs. It's used to protect phonograph records, electronic equipment, and bunches of grapes. Matter of fact, you'll find it just about everywhere—wrapped around everything. It's one of the products made in Torrance by the men and women of CARBIDE.
