

Church to Hear Political Views On Two Parties

Representatives of the major political parties will present their views at two Sunday evening services at the Harbor City Methodist Church Oct. 30 and Nov. 6, it was reported here yesterday by the Rev. Clarence E. Spier Jr.

A speaker for the Republican Party will be on hand Sunday evening for the 7:30 meeting to discuss such issues as labor, farm, and foreign policies, world peace, and others. Democrats will be heard on Nov. 6 when a representative of that party will discuss the issues. A coffee fellowship is scheduled both evenings at 8:15, and will include a question and answer period.

Social Security Credit for War Service Listed

Persons with active military duty during the period from Sept. 16, 1940 through Dec. 31, 1956, are entitled to Social Security wage credits of \$160 for each month of active duty, Veterans Service Officer Mrs. Sara R. Bridges, director, Torrance Veterans Service Center, said today in a reminder to veterans.

Ninety days of active service are required unless the veteran was discharged or released for disability or injury incurred or aggravated in line of duty, and the discharge must have been other than dishonorable.

THE WAGE credits may be granted to those who died in service as well as to those who died after discharge, it was also pointed out.

However, if a periodic benefit is payable by the military organization or another federal agency, except the Veterans Administration, based in whole or in part on active military service during the same period, the Social Security wage credits will not be granted for that same period.

THOSE ON military retired pay also may receive the SS credits for months of active duty during the years 1951 through 1956, even though their retired pay is partially based on service between July 25, 1947 through Dec. 31, 1956, provided they served actively after Dec. 31, 1956.

Citizens of the United States who served in the armed forces of U.S. allies during World War II also may be entitled to the SS wage credits, under certain restrictions.

On Jan. 1, 1957, members of the armed forces on active duty were brought under Social Security on a contributory basis, with payments to the fund withheld from their basic pay. Contributory SS wage credits for active military service may be added to any gratuitous a and/or civilian wage credits in determining Social Security benefits.

Man's Greatest Need 'Spiritual Enlightenment'

Mankind's greatest need is spiritual enlightenment, said Georgiana Tennant of London, England in a public lecture here Saturday.

"As we look around a bewildered, suffering world, we can see that the only answer to its problems lies in the understanding of an obedience to the one God," Mrs. Tennant declared.

To illustrate the practical value of spiritual understanding in daily living, she described the solution, through spiritual means alone, of family and business problems as well as the healing of a condition diagnosed as deterioration of the brain.

A member of The Christian Science Board of Lectureship, she spoke in the church edi-

ce, 218th St. and Manuel Ave. under the auspices of First Church of Christ, Scientist, Torrance.

Herby J. Moreau, First Reader, introduced her. The subject was "Christian Science: It's Great Practical Message."

The purpose of practical Christianity, Christian Science,

Mrs. Tennant said, is to bring to humanity spiritual truth with its great promise of Christlike comfort and healing to those in distress.

Freedom from sickness, lack, and other discords is available to all through the application of spiritual understanding of God, the lecturer maintained.
