# Thrifty Drug Gives Three Scholarships in Pharmacy

Thrifty Drug Stores this week presented a check, covering three full yearly scholarships, to Dr. Alvah G. Hall, Dean of the School of Pharmacy, University of Southern California. Presentation of the scholarships, which will cover the academic year 1961-1962, was made at the USC campus by Manny Borun, vice-president of the huge drug chain.

In accepting the scholarships, Dr. Hall cited the remarkable growth of the profession of pharmacy, and stressed the need for this

type of student aid to stimulate interest in this rapidly expanding field.

The USC School of Pharmacy has 435 undergraduate and graduate students currently enrolled, with 21 professors and instructors directing classes. The well known professional school enjoys a world-wide reputation for excellence. Its outstanding faculty, modern equipment and spacious facilities are marked among the finest to be found anywhere.

MANNY BORUN, presenting the awards, stated, "The need to develop increased interest among outstanding young men and women to engage in the profession of pharmacy is a project of major interest to Thrifty Drug Stores. The constantly growing importance of pharmacy to the health of the community is self evident. We, at Thrifty, are pleased to be a part of this program and to work with Dean Hall, of the USC School of Pharmacy."
