The deadline for entering prospective mothers in the "Baby Sweepstakes," sponsored by the Torrance Lodge of the Royal Order of Moose fraternity, has been set for midnight, July 10th, Charles R. Britt, contest chairman, announced this week.  
In observance of the 37th anniversary of the founding of the child city of Mooseheart, Ill., the Torrance lodge will honor the mother of the first child born on Sunday, July 17, in the Torrance Memorial, Little Company of Mary, or Rivierra hospitals.  
A complete layette from the lodge and other gifts from Lawson's Jewelers will be presented to the lucky mother and her son or daughter. Other gifts from the Women of the Moose will follow in later weeks.

**Douglas Gets Orders for More Planes**  
A contract to build an improved version of the Navy's A4D Skyhawk attack bomber was awarded to the Douglas Aircraft Company's El Segundo Division, the U.S. Navy advised the firm Friday.  
Identified as the A4D, the improved Skyhawk will have increased payload and range capabilities over the versatile A4D-2N version now in production and operational with the fleet.  
POWERED BY the lighter and more powerful Pratt & Whitney J52 jet engine, the A4D-5 can deliver the same payload as the earlier configuration with a 27% increase in range.  
Over 1100 of various models of the Skyhawk will have been delivered to the Navy by the end of the 1960 fiscal year.  
Designed for carrier operations, the bantamweight A4D can carry a variety of weapons, including a nuclear bomb for maximum-load attack missions.
