Plush Horse (a horse) to Open Plush Horse (the Inn) Wed.

The luxurious new Plush Horse Inn Motor Hotel located at 1700 South Pacific Coast Highway in Redondo Beach, will have its official opening ceremonies at 5:30 p.m. Wednesday.

An important guest will travel all the way from Del Mar to officiate at the formal opening ceremonies. The guest star is a thoroughbred racer known as the Plush Horse, named after the plush hostelry on his birthday in 1957. Plush Horse, after being vanned from Del Mar, will untie the bow on a huge ribbon to officially open the new motor hotel.

Assisting the Plush Horse in his official duties will be Queen of Redondo Beach Neptune Days, Miss Lesley Dixon.

AMONG OTHER notables scheduled to appear at the

opening ceremonies are Charles Chapel, Assemblyman 64th district; Mayor Lee Center and City Manager Francis E. Hopkins of Redondo Beach; Mayor Albert Isen and City Manager George Stevens of Torrance; Mr. and Mrs. Norman Sopp, owners of the thoroughbred Plush Horse; S. Jon Kreedman, one of the owners of the Plush Horse Inn, and General Manager Olivier Berthoud.

During the same afternoon the press will be hosted and given a tour through the largest and newest motor hotel in the South Bay area on Highway 101 in Redondo Beach.

ON THURSDAY, the Plush Horse will act as host to a brigade of business executives who will gather for a preview of the various types of accom-

modations offered to the busy executive. This will be the "Captains of Industry" party and will be attended by top businessmen in the South Bay area.

On Friday, Aug. 5, the beautiful new terrace pool will be encompassed by 38 lovely young ladies who will be vying for the "Miss Los Angeles County" title. The beauty contest will be televised by KTLA and the winner will go on to the Sacramento State Fair where she will compete for the "Maid of California" honor to reign as queen of the Fair.

EACH ROOM in the Plush Horse is fully equipped with individually controlled air-conditioning, sound-proofing, television, radio and telephone. Many rooms have private bal-

conies with beautiful panoramic views of the Pacific Ocean. A large size heated terrace pool adds a note of restful pleasure to the elegant surroundings of the Inn.

The famed Plush Horse Restaurant is now under the supervision of the former chef of the world-renowned Pump Room in Chicago. The specialties of the house are flaming dinners prepared at your table and graciously served. Banquet rooms for large meetings or social gatherings are readily available, along with ample free parking.

Adjoining the Inn are exclusive resort shoppes which were planned especially for leisurely gift and personal shopping, and since the Inn is only minutes away from Los Angeles International Airport,

Armed Forces

Marines Pvt. William C. McLean, son of Mr. and Mrs. C. W. McLean of 1038 Arlington and Pfc. Lucky J. Springer, son of Mr. and Mrs. Art Springer of 124 E. 21st, all of Torrance, completed four weeks of individual combat training June 28 at the Marine Corps Base, Camp Pendleton, Calif.

The course included the latest infantry tactics, first aid, demolition, field fortifications and advance schooling on weapons.

Trainees learn that all Marines are basically infantrymen, whether they serve as cooks, typists, truck drivers, or with aviation units.

Marine Pfc. Aclie W. Walters, son of Mrs. Mildred Walters of 1659 W. 207th, Torrance, is

serving with the Third Marine Aircraft Wing, El Toro Marine Corps Air Station, Santa Ana, Calif.

Edward L. Baker, seaman, USN, son of Mr. and Mrs. Lewis W. Baker of 20822 Halldale Ave., Torrance, is serving aboard the radar picket ship USS Watchman operating out of San Francisco, Calif.

The ship is one of eight in the seaward extension of the Continental Air Defense System, alert for hostile aircraft approaching the U. S. west coast.

Michael W. Ausdemore, seaman apprentice, USN, son of Mr. and Mrs. Francis Ausdemore of 1319 W. 206th St., Torrance, returned to Long Beach, Calif., July 2 aboard the oiler USS Passumpsic following a four-month cruise in the Western Pacific.

The oiler participated in the SEATO Exercise "Sealion" with ships of Great Britain, France, Pakistan and Australia. The Passumpsic visited Hawaii, Japan, Okinawa and the Philippine Islands.

Ufford B. Smith, 3117 W. Carson St., has been promoted to the rank of major in the United States Army Reserve.

Major Smith is assigned to the Transportation Section of the 311th Logistical Command, largest Army Reserve headquarters unit in the United States.

The 311th, which normally trains at its own Army Reserve center in West Los Angeles, is presently serving two weeks active duty at Camp Roberts, California. The unit is composed of high level representatives in business, legal, medical and educational professions as well as students in local colleges and universities.

Before returning to San Diego August 6, he will have received practical "at sea" experience in seamanship, navigation, engineering, and gunnery to prepare him for a commission in the Naval service upon graduation from college.

Army Sergeant First Class Donald B. Trimble, 30, son of Marion Hustler, 2211 Sepulveda Blvd., recently received a suggestion award while serving with the 10th Medical Laboratory in Germany.

Sergeant Trimble, a medical laboratory technician, arrived overseas in September 1958 on this tour of duty.

He attended Redondo Union High School before entering the Army in March 1947.

Michael M. Schneider, son of Mr. and Mrs. Joseph M. Schneider, 3717 W. 172nd St., recently was promoted to specialist four in Germany, where he is a member of the 82nd Artillery.

Specialist Schneider, special weapons section chief in the artillery's Battery A in Giesen, entered the Army in February 1959 and completed basic combat training at Fort Ord, Calif.

The 22-year-old soldier is a 1958 graduate of North High School.

Lt. Colonel Richard C. Dineen, USAF, has been assigned to active duty with the AMC Ballistic Missile Center, Inglewood, California, in the Directorate of Space and Satellites Colonel Dineen was born in Sioux City, Iowa. He attended East High School, Sioux City, Iowa, and George Washington University, Washington, D. C. where he received his B.A. in 1956.

During World War II, Colonel Dineen served in the China-Burma-India theater.

Prior to his assignment at BMC, he was Chief of the Plans and Programs Office at San Bernardino Air Materiel Area at Norton Air Force Base, California.

Colonel and Mrs. Dineen, the former Maxine E. Hartnett of Jackson, Nebraska, with their three daughters, Barbara, 13 years old, Teresa, 8 years and Kathryn, 7 years and their two sons, Richard, 15 years and John, 2 years live at 5117 Bevan St., Torrance. Col. Dineen's mother, Mrs. Sigrid R. Dineen, also resides at the same address.

Carson St., has been promoted to the rank of major in the United States Army Reserve. Major Smith is assigned to the Transportation Section of the 311th Logistical Command, largest Army Reserve headquarters unit in the United States.

The 311th, which normally trains at its own Army Reserve center in West Los Angeles, is presently serving two weeks active duty at Camp Roberts, California. The unit is composed of high level representatives in business, legal, medical and educational professions as well as students in local colleges and universities.

Army Pvt. Barry L. Williby, son of Mr. and Mrs. Walter H. Williby, 1630 W. 266th St., Harbor City, recently completed advanced individual training with the 2d Armored Division's 51st Infantry at Fort Hood, Tex. The 18-year-old soldier entered the Army in February 1960 and was last stationed at Fort Ord, Calif.

Aviation Ordnanceman 1st Class Domenic A. Mariorenzi, 3519 W. 225th St., will spend his active duty cruise from July 11 to 24 at NAS Los Alamitos with his squadron Naval Air Reserve Maintenance Unit 775. Mariorenzi's squadron has that important task of keeping the Navy's fighting aircraft in peak operating condition. A vacuum maintenance mechanic at Hugh's Elec. Tub Prod. in civilian life Mariorenzi's job will be to operate naval aircraft for action by loading bombs, torpedoes, rockets, and guided missiles into planes. He also maintains, repairs, installs, operates, services and handles aviation ordnance equipment.
