with a gigantic Birthday Sale. Hundreds of items in every department throughout each store is specially reduced for the once-a-year sale. Company executives announced the Birthday Sale is Thrifty's way of saying thanks to its millions of friends throughout California who have watched the growth of the firm from a single store in 1929 into the largest drug, variety and junior department store chain in the West, with 175 stores serving over 12 million customers each month.

Special Birthday Sale prices will be featured on a vast array of items including throw rugs, nylons, record albums,

chicken fryers, and electric razors, to name a few of the Birthday Sale bargains.

Also featured are women's bras, radios, candy, unpainted bar stools, toys, games, and hundreds of additional items. The list is endless.

A special reminder was suggested by Thrifty executives to take advantage of the low Birthday Sale prices to obtain that Father's Day gift for Dad. Every type of sports equipment from golf balls to fishing gear is featured. Cameras, transistor radios, cuff links and tie-bars, shaving lotions, billfolds, ties, sport shirts and dress shirts are all marked at Birthday Sale prices. Dad

Little Leaguer Out of Danger

Last Monday 11-year-old Kelly Johnson stepped up to the pitcher's mound and let his best one go. The batter connected, and a hard line drive caught Kelly in the side of his head before he had hardly unwound from his pitch. He fell and lay across the mound on which he had been working.

Doctors at the South Bay Hospital, where Kelly was rushed following the accident, told his parents Friday, Mr. and Mrs. Phillip Johnson, of 19617 Darien Pl., that he is out of danger and his condition

good despite the fact that it was reported earlier that he had a skull fracture and surgery might be necessary.

The boy was injured during a practice session at the Carl Steele elementary school where he is a student.

Phillip Johnson, who manages the Dodgers, was quoted in saying he "wouldn't want a Little League to be hurt" as a result of the mishap.

Mrs. Johnson told the HERALD Friday, after visiting Kelly at the hospital, that her son's only concern was about getting back to the team.
