DECENTRALIZED PLANNING Our family of communities has grown so fast that area councils of volunteers offer local residents a way to plan together for their local communities.

NEIGHBORHOOD IMPROVEMENT PROJECTS Settlement and centers are dedicated to bettering conditions. Young people and adults benefit from family recreation and work together for the good of their neighborhood.

TOUCHED

BY HUMAN HANDS

Tenderness, compassion and the shelter of affection make all sorts of troubles disappear.

In children's homes, hospitals—in 170 different services united in the Community Chest—you find the kind of people who can give warmth to others... take interest in others... help others. Our town is much too big for each of us to come to the aid of our neighbors as we used to do. But, we have found a way to help. It's called the UNITED WAY. It happens when we give together for agencies which work together to care for those in trouble.

Local Men and Women Decide How Your Contributions Can Best Be Spent to Help People

Representing you, these leaders from your area serve on the Budget Committee which decides where and how Community Chest funds are spent. They work year around, without pay, to guarantee your money is spent on legitimate services... services which mean life itself to some and health, help and protection to thousands.
