### Candidate for Senate Speaks To Localities

Howard Jarvis, Conservative candidate for United States Senate from California, spoke last night to South Bayans of both parties who are aware of the need for a grass roots movement to elect people to Congress who will work to stop the "softness to Communism" and the trend toward Government enlargement.

Jarvis said "We must maintain at maximum strength both the House Committee on Un-American Activities and the U.S. Senate Committee on Internal Security and use the records of these committees to fully inform the public." He believes we must recognize the Communist Conspiracy is at war with us and we must take protective measures at home as well as abroad.

He continued: "Liberty and good health are alike in that we never fully appreciate either until that tragic moment when they are lost. We must understand that time is running out. Liberty can only remain alive by making political Americanism the urgent business of every freedom-loving person in our nation now."

### Name Dollar For Democrats Area Chairman

Robert F. Harwood, Los Angeles business executive, has been named chairman of the 1961 Los Angeles County Dollars for Democrats drive. It was announced today by Don Rose, Democratic county chairman.

Miss Patricia Hunt of Hollywood, radio station office manager, has been appointed drive co-chairman and Attorney Dick English, Lynwood city councilman, has been named treasurer of the county-wide event.

The Dollars drive will be held the end of September, Rose said, and will be conducted by more than 30,000 grass-roots Democratic volunteers who will ask all Democrats to make small contributions to their Party.

### Bible School Classes Will Begin Monday

On July 29 the annual Vacation Bible School parade will form at the Calvary Community Church, 1117 Milton St. at 6 p.m. The parade will circle through the area surrounding the church. Mrs. York stated that the purpose of the parade will be to invite the children to attend the daily Bible school which will begin on July 31.

The theme for the two week session will be "Living by God's Time." Classes for children four years of age through the sixth grade are scheduled from 9 to 11:30 each morning. Junior and Senior High students will meet in the evening from 7 to 9:30 p.m.
