

Thrifty Drug Back-to-School Event Stated

It's Back-to-School Days at Thrifty Drug Stores, and in dozens of departments in every store of the Thrifty chain are outstanding items, specially priced to delight students and parents alike.

Thrifty's buying department has selected merchandise with an overall theme of Color Co-ordination. This unique buying plan has supplied each Thrifty store with merchandise that enables girls to select blouses, sweaters, socks and jewelry with an integrated color scheme that can make each one a leader in coordinated Back-to-School fashion. Boys can stock up on shirts, pants, sweaters, etc., with the same Color Co-ordinated plan. Each Thrifty store has been carefully stocked to provide the most fashionable combinations of wearing apparel and accessories. And all at Thrifty's traditional low prices.

FOR THE GIRLS Thrifty has a complete stock of blouses, capris, Orion Acrylic cardigan sweaters, matching slip-over, bouffant petticoats, etc. There is a vast selection of tennis oxfords in both corduroy and canvas tops which are perfect for casual school wear. Thrifty's costume jewelry department has everything from scatter pins, sweater guards and large heart necklaces to the pretty and practical pencil necklaces.

In the boys' department there are Western style blue jeans, cotton flannel shirts, wash 'n wear slacks, zipper jackets, shawl collar and pullover sweaters, and dozens of stretch socks and argyle socks. A special item is the long wearing quality white high top basketball shoes.

For the college student Thrifty has an enormous selection of luggage, transistor radios, typewriters, electric clocks, wrist watches and electric razors.

Whatever is needed for the Back-to-School student can be found at your neighborhood Thrifty Drug Store.

Senator Tells Dates Freeway To Be Opened

Every section of the San Diego freeway of direct concern to the South Bay area will be completed before the Spring of 1963 and significant goals will have been reached before the end of this year, Sen. Richard Richards said Thursday at a joint meeting of the El Segundo-Manhattan Beach and Hollywood Riviera Rotary clubs.

Outstanding cooperation by the leadership of the beach cities with state government has led to a significant speed-up of the completion date for the San Diego freeway, Richards said.

THE SENATOR also mentioned the proposed South Bay state college. "We now have appropriations of \$2 million available for site, acquisition and construction and we are now moving forward in the establishment of a site to be followed soon by actual construction," he said.

He emphasized the need for further cooperation in the development of the Redondo-King Harbor, the expansion of boating and recreational facilities and the continued effort to solve transportation and related problems as rapidly as possible.

SEN. RICHARDS gave a breakdown of construction costs and opening dates as follows for the San Diego freeway:

La Tijera to 135th St., \$11,600,000, 4.7 miles, to be opened February, 1963.

135th St. to Hawthorne Blvd., \$4,312,000, 2 miles, to be opened February, 1963.

Hawthorne Blvd. to Artesia (174th St.), \$3,313,000, 1.1 miles, to be opened February, 1962.

Artesia to 190th St., \$7,054,000, 3.4 miles, to be opened July, 1962.

190th St. to Carson St. (which crosses the Harbor Freeway), \$8,120,000, 2.7 miles, to be opened March, 1962.

Carson St. to Alameda, \$4,322,000, 1.9 miles, to be opened June, 1962.

Alameda to Long Beach Freeway, \$5,134,000, 1.1 miles, to be opened December, 1961.
