Junipers Have Variety of Uses In Gardens, Parkways in Area

Junipers are jacks of all trades in the garden world. You can use them to plant a parkway, border a walk or fill a foundation bed. You can tub them for display on a deck or feature them in rockeries. The taller ones can be planted as windbreaks or to soften the harsh lines of a house wall. And in every case, they do all you could ask of them.

If the junipers' uses are many; so, fortunately, are its varieties. There's no exaggeration in saying that half a hundred various kinds of junipers must be available in the state. Indeed, the California Assn. of Nurserymen claims that such a figure is on the low side.

ECC Community Choir Program For Fall Set

With the announcement that the major choral works, "Gloria" and the "Ceremony of Carols" will be presented this fall, Crist L. Mikkelsen, director of the El Camino College Community Choir, invited local singers to enroll in Music 21 for the coming semester.

Written by Vivaldi, "Gloria" stems from the rich Baroque period, while Benjamin Britten's "Carols" are from the contemporary period by a famed British composer.

Enrollment in Music 21 assures vocalists of participation with the college Community Choir. The class rehearses on Tuesday evenings from 8 to 10 p.m. Music is furnished by the college.

Last year the group joined the a cappella choir in the performance of the "Messiah" and also Mozart's "Requiem."

Registration on the college campus continues today and tomorrow and throughout the coming week.
