Mentally Retarded Will Benefit From Fund Drive

The Southwest Assn. for Retarded Children, an organization composed of parents and friends of the mentally retarded, will begin their fall building fund campaign with a luau.

The luau will be held at Lennox Park, 10828 Condon Ave., Lennox, on Wednesday, Sept. 6, at 6:30 p.m. There will be no charge and anyone interested in the welfare of the mentally retarded is invited to attend. If interested in attending call FR 6-9966 or OR 4-8136 for further information as to what to bring. Child care will be provided.

The need for an activity center is great, for there is no such place in the southwest portion of Los Angeles county. The association's goal for the future is the establishment of an activity center for a training and educational program, which will give each child the maximum opportunity to develop to his full capacity.

They plan to provide classes for nursery-age children and their parents, pre-school children, training for those not meeting the criteria for admis-

sion to public school, work training and activities for those over-school age.
